PRELIMINARY INFORMATION

REGISTRATION (DETAILS IN SECTION I)

(1) **Seminar and Practice/Simulation Course Bidding** for the selection of seminars and practice/simulation courses. The maximum assignment at this time is **ONE** seminar and **ONE** practice/simulation course. **Begins Monday, April 5 at 8:00 AM (EDT) and ends Friday, April 9 at 5:00 PM (EDT) after which time CBI will shut down!** Students have 105 hours to make and finalize their requests, there is NO grace period!

Please log on to CBI either Monday, April 5 or Tuesday, April 6; should you have a problem getting into the system, this will give the Law School Information Technology staff the opportunity to correct the problem in time for you to use CBI. It is advisable to view the class schedule and descriptive materials early in the week, since many seminars and practice/simulation courses require a special sign-up procedure (footnote #8 in the class schedule) and have a submission/completion deadline.

Please note that we are only gathering registration data during the week of April 5, no placements into any of the classes will take place until after close of business on Friday, April 9. **There is no advantage or need to rush to request classes.** In other words, students who use CBI to make their requests on Friday at 4:00 PM will have the same opportunity as students who make requests on Monday at 8:00 AM. You can make as many changes to your requests as you would like but you must click the “FINALIZE>>” button to save your requests.

If you have any problems with CBI, do not wait, come to the Office of the Registrar, 300 Hutchins Hall, third floor, and use one of the computers in the lobby to make your CBI requests before the Friday deadline! **Do not wait until 4:45 PM or later on Friday afternoon!** The system will slow down on Friday afternoon if there is a high demand placed on it and the Information Technology staff may not be available to provide assistance. **If you choose to wait until the last minute on Friday, April 9, to make your CBI requests, make sure you “FINALIZE>>” before the 5:00 PM (EDT) deadline or your requests will not be saved when CBI shuts down!**

(2) **Upper Class Course Bidding** for the selection of upper class courses. Students can request open seminars and practice/simulation courses. Addition to the waitlist for full/closed seminars and practice/simulation courses depends on the availability of a numbered waitlist position (1-15). Students can also drop seminar and practice/simulation courses. **Begins Monday, April 19 at 8:00 AM (EDT) and ends Friday, April 23 at 5:00 PM (EDT) after which time CBI will shut down!** Students have 105 hours to make and finalize their requests, there is NO grace period!

Please log on to CBI either Monday, April 19 or Tuesday, April 20; should you have a problem getting into the system, this will give the Law School Information Technology staff the opportunity to correct the problem in time for you to use CBI. It is advisable to view the class schedule and descriptive materials early in the week.

Please note that we are only gathering registration data during the week of April 19, no placements into any of the classes will take place until after close of business on Friday, April 23. **There is no advantage or need to rush to request classes.** In other words, students who use CBI to make their requests on Friday at 4:00 PM will have the same opportunity as students who make requests on Monday at 8:00 AM.
You can make as many changes to your requests as you would like but you must click the “FINALIZE>>” button to save your requests.

If you have any problems with CBI, do not wait, come to the Office of the Registrar, 300 Hutchins Hall, third floor, and use one of the computers in the lobby to make your CBI requests before the Friday deadline! Do not wait until 4:45 PM or later on Friday afternoon! The system will slow down on Friday afternoon if there is a high demand placed on it and the Information Technology staff may not be available to provide assistance. If you choose to wait until the last minute on Friday, April 23, to make your CBI requests, make sure you “FINALIZE>>” before the 5:00 PM (EDT) deadline or your requests will not be saved when CBI shuts down!

DROP/ADD (DETAILS IN SECTION II)

(1) Drop/Add for the selection of upper class courses (excluding seminars and practice/simulation courses which have waitlists). Spring/Summer 2010 Drop/Add begins Tuesday, June 1 at 8:00 AM (EDT) and ends Tuesday, June 1 at 5:00 PM (EDT)—only ONE DAY. Fall 2010 Drop/Add begins Tuesday, June 1 at 8:00 AM (EDT) and ends Wednesday, September 15 at 5:00 PM (EDT).

Addition to the waitlist for open and full/closed seminars and practice/simulation courses depends on the availability of a numbered waitlist position (1-15). Students can also drop upper class courses, seminar, and practice/simulation courses.

(2) Waitlist Drop/Add for classes with a waitlist (including seminars and practice/simulation courses). Fall 2010 Waitlist Drop/Add begins Tuesday, September 7 at 8:00 AM (EDT) and ends Wednesday, September 15 at 5:00 PM (EDT). Law appointments end at 5:00 PM (EDT). Each morning waitlists are checked, permission codes entered by the curriculum coordinator for non-Prof Pick seminars and practice/simulation courses. Selected students will have until 10 AM the next morning (unless otherwise noted in the e-mail) to enroll themselves before the “time sensitive permission code expires and the enrollment opportunity is lost! Permission codes for Prof Pick (footnote #9) seminars and practice/simulation courses will be entered as received. Waitlisted students need to check their e-mail frequently between 10 AM and NOON during the Waitlist Drop/Add period.

FOOTNOTES

Students should consult the footnotes for pre-requisites, co-requisites, special sign-up procedures (footnote #8), requirements, limitations, and other important information. A student's ability to enroll or remain in a class depends on information found in the footnotes. Therefore, it is crucial to read them carefully and follow the directions!

PREFERENCES

The Law School recognizes that a student may have a special interest in a particular seminar, practice/simulation course or upper class course which is either traditionally popular or offered on an infrequent basis. Therefore, each student has TWO priorities to use during their law school career to increase their chance of securing a seat in these types of classes.

In general, students are assigned to seminars, practice/simulation courses and/or upper class courses based on (1) the use of a priority and (2) proximity to graduation. The use of a priority places those students in the FIRST group from which selections are made. Therefore, first-year students have as much of a chance as third-year students. The computer selections are made in random order within the first group. A priority will only be “spent” if it was needed to enroll a student in the seminar, practice/simulation course, or upper class course. Students who did not use a priority, are placed in the SECOND group from which selections are made by proximity to graduation (starting with academic level 6 and LLMs being the closest to graduation and then...
levels 5, 4, 3, and 2). The computer selections are made in random order within each academic level. Once the class enrollment capacity is reached, the remaining students are placed on the waitlist in numeric order (1-15).

Many students are under the mistaken impression that a student with a closer proximity to graduation who uses a priority has a better chance of securing a seat in a class than a student further from graduation who also uses a priority. This is NOT true! In fact, and as stated above, a 3L (academic levels 6 and 5) who uses a priority for a class has exactly the same chance of getting a seat as a 2L (academic levels 4 and 3) or 1L (academic level 2) who uses a priority for the same class because the use of a priority places all of them in the first group from which computer selections are made.

Points to remember:

- **Place your CBI requests in the order of importance to you—HIGHEST to LOWEST.**
- Priorities are unique to the Law School’s Class Bidding Interface (CBI) and not used by Wolverine Access during the Drop/Add period.
- The use of a priority does not guarantee you a seat in a seminar, practice/simulation course, or upper class course no matter your academic standing or proximity to graduation!
- Check the top of the bidding screen to make sure you have a priority to use for a non-Prof Pick class.
- To use one of your available priorities and place yourself in the first group of students considered for the class, check the "P*" column box next to the request.
- You cannot use a priority for a Prof Pick class (footnote #9) nor will CBI will ever spend a priority for a Prof Pick class.
- Priorities must follow the request order. For example, you cannot check the priority box for request number two unless you have also checked the priority box for request number one. If request number two is a Prof Pick “PP”, CBI will skip over it and treat request number three as if it were number two, etc.
- A priority used for a class is “spent” if it was needed to enroll you in the class! However, a priority is NEVER spent when you are placed on a waitlist.
- If a priority was spent, the CBI “Results” link will indicate the class where priority was spent.
- A spent priority is NEVER returned.
- A priority that is not spent is returned to the student.
1. Students have TWO priorities to use during their career at the Law School.

NOTE—During the first Winter term, Summer Starters who request a Foundation Course (footnote #23) and Fall Starters who request the Foundation Course (footnote #26) will receive “priority” status for that request.

2. The purpose of using a priority is to increase your chance of securing a seat in a seminar, practice/simulation course, and/or upper-class course.

3. Using a priority does NOT guarantee enrollment in a seminar, practice/simulation course or upper-class course!

4. PRS will NEVER “spend” a priority used for a designated Prof Pick class (footnote #9 in the term class schedule) but its use could convey serious interest on your behalf.

In general, the Law School Class Bidding Interface (CBI) assigns students to seminars and courses based on the use of a priority.

**Priority used?**

- **YES**
  - Placed in the **first group** of students CBI considers for the class.
    - 1. The academic level does not matter.
    - 2. First year students have as much of a chance as third year students.
    - 3. CBI assigns students to the class in random order.

  If more students use a priority or request the class than the capacity allows:
    - 1. The priorities are “spent” to secure a seat in the class.
    - 2. When the maximum capacity is reached, any remaining students are placed on the waitlist in the same random order assigned by CBI.

  CBI goes to the **second group** of students.

- **NO**
  - Placed in the **second group** of students CBI considers for the class.
    - Academic Levels:
      - 5 and 6 = 3Ls and LLMs
      - 3 and 4 = 2Ls
      - 2 = 1Ls

    1. CBI assigns students to the class by proximity to graduation using the academic level (6, 5, 4, 3, & 2).
    2. Within each academic level students are assigned in random order.

    If more students requested the class than capacity allows:
      - When the maximum capacity is reached, any remaining students are placed on the waitlist in a numbered waitlist position (1-15).

End CBI processing for the class.
NON-PROF PICK CLASSES WHERE A PRIORITY WAS “SPENT”

Students always ask which non-Prof Pick classes are popular. That is a tough question to answer because every class schedule is unique in composition due to different classes scheduled against other different classes in the same time slot. Also, frequently the professors who teach particular classes change. Therefore trying to predict the popularity of a particular class in a particular term is very difficult. The next best thing is to provide a table showing the term and the non-Prof Pick classes for which students actually “spent” a priority.

The following information is provided as a reference tool only! The decision to use or not to use a priority for a class rests solely with the student.

SECTION I: REGISTRATION VIA THE LAW SCHOOL’S CLASS BIDDING INTERFACE (CBI)

All students will register using the Class Bidding Interface (CBI), a web interface class bidding tool located on the Law School’s Office of the Registrar web site. The link is: http://www.law.umich.edu/currentstudents/registration/registration/Pages/default.aspx and click on “Online Law Class Bidding Interface.” The next link is: http://www.law.umich.edu/currentstudents/registration/registration/Pages/priorityregistration.aspx and click on “http://web.law.umich.edu/LawCBI.” Complete CBI instructions are available on the same page as the “http://web.law.umich.edu/LawCBI.” CBI will also link you to online versions of the registration instructions, curriculum interest areas (concerning recommended courses and other activities for various areas of practice), course descriptions, and class schedules.

Assistance with CBI and the Law School’s web site will be available during the Registration period in the Office of the Registrar, 300 Hutches Hall, third floor.

It is important that you check your e-mail regularly between April 5 and May 7 in case we need to contact you with important information.

SEMINAR AND PRACTICE/SIMULATION COURSE BIDDING

SEMINARS

CBI can assign students to a maximum of ONE seminar. You can select more than one seminar, and you may use a priority for as many of your requests as you wish. Indication of additional requests, even with a priority, will not jeopardize your first seminar request. Indication of only one seminar will not increase your chance of enrollment.

Students are required to meet the upperlevel writing requirement for graduation. The clinic seminars: #911 Child Advocacy Clinic Seminar, #921 Clinical Legal Advocacy Seminar, #953 Juvenile Justice Clinic Seminar, #954 Human Trafficking Clinic Seminar, #956 Urban Communities Clinic Seminar, #959 Poverty Law in a Medical Legal Collaborative Clinic Seminar, and #977 Michigan Innocence Clinic Seminar do not meet the upperlevel writing requirement!

If you are graduating this term and have never had a seminar, you do not have a greater chance of getting a seat in the seminar than any other student who has exercised a priority. Therefore, in the case of seminars, it is important for you to indicate additional requests and to consider using a priority for them, in case you do not get your first seminar request.

IMPORTANT: Students are required to attend the first class meeting of a seminar (footnote #7). This policy includes students who enrolled through the Registration period or during the Drop/Add period from the waitlist and those students not enrolled but who are interested in enrolling, whether or not they are on the waitlist. Non-law students seeking to enroll in a seminar must complete an External Enrollment Form (the link is on the Office of the Registrar’s web page, in the left column click “Registration” and then “External Enrollment.”). Students who fail to attend the first class meeting without making prior arrangements with the professor for an excused absence will have their name removed from the class roster or forfeit their enrollment opportunity.

IMPORTANT—IF A STUDENT DECIDES TO DROP A SEMINAR OR CLINIC, S/HE MUST DO SO WITHIN 24 HOURS AFTER THE FIRST CLASS MEETING. This will allow another waitlisted student an expedited opportunity to enroll in the seminar.
**Point of Clarification for Footnote # 9 (Prof Pick) --** unless a footnote indicates otherwise, students do **not** contact the professor for “permission to register” for any seminar or practice/simulation course. During the **Registration period,** (1) students request the seminar and/or practice/simulation course via CBI, (2) the professor receives a list of students and makes selections for the class, (3) the professor contacts the curriculum coordinator who enrolls the selected students in the class. During the **Drop/Add period,** if seats are available, the professor makes selections from the waitlist and contacts the curriculum coordinator who creates individual “time sensitive” permission codes and e-mails the selected students so s/he can enroll themselves via Wolverine Access.

**SEMINARS WITH THE “PROF PICK” DESIGNATION (FOOTNOTE # 9)**

- #809 ANATOMY OF A DEAL—Professor Adelman
- #887 CONSTITUTIONAL LAW WORKSHOP—Professors Herzog/Primus
- #441 EXONERATION: CIVIL IMPLICATIONS—Professor Croley
- #826 FAIR HOUSING LAW AND POLICY—Professors S. Green/Levy
- #894 GOOD LIFE/GOVERNMENT—Professor Regan
- #827 INTELLECTUAL PROPERTY WORKSHOP—Professors Crane/Radin
- #861 LAW AND ECONOMICS WORKSHOP—Professors Horwitz/Prescott
- #402 PUBLIC INTEREST COLLOQUIUM—Professor Kochen
- #807 PUBLIC INTEREST LITIGATION—Professor Rosenbaum

**SEMINARS WITH “SPECIAL SIGN-UP PROCEDURES” (FOOTNOTE #8)**

Students interested in any of the seminars listed below must do **TWO things:**

1. Complete the special sign-up procedure by the deadline
   AND
2. Request the seminar using the Law School’s Class Bidding Interface (CBI)

Student selection will take into account compliance with the special sign-up procedure by the specified deadline, then the use of priorities, and last the proximity to graduation. Therefore, you must decide whether to use a priority for seminars requiring statements, interviews, etc.

Seminars requiring special sign-up procedures are:

- **#809 ANATOMY OF A DEAL:**  
  Students interested in taking this seminar **must** e-mail a statement of interest to Professor Adelman (**badelman@fklaw.com**) **no later than Friday, April 9 at 5:00 PM (EDT).** Admission to this seminar is by permission of the professor (Prof Pick). PRACTICE/SIMULATION COURSES

CBI can assign students to a maximum of ONE practice/simulation course!
You can request more than one practice/simulation course, and you may use a priority for as many of your requests as you wish. Indication of additional requests, even with a priority, will not jeopardize your first practice/simulation course choice. Indication of only one practice/simulation course will not increase your chance of enrollment.

IMPORTANT: Students are required to attend the first class meeting of a practice/simulation course (footnote #7). This policy includes students who enrolled through the Early Registration period or during the Drop/Add period from the waitlist and those students not enrolled but who are interested in enrolling, whether or not they are on the waitlist. Students who fail to attend the first class meeting without making prior arrangements with the professor for an excused absence will have their name removed from the class roster or forfeit their enrollment opportunity.

Point of Clarification for Footnote # 9 (Prof Pick) -- unless a footnote indicates otherwise, students do not contact the professor for “permission to register” for any seminar or practice/simulation course. During the Registration period: (1) students request the seminar and/or practice/simulation course via CBI, (2) the professor receives a list of students and makes selections for the class, (3) the professor contacts the curriculum coordinator who enrolls the selected students in the class. During the Drop/Add period, if seats are available, the professor makes selections from the waitlist and contacts the curriculum coordinator who creates individual “time sensitive” permission codes and e-mails the selected students so they can enroll themselves via Wolverine Access.

PRACTICE/SIMULATION COURSES WITH THE “PROF PICK” DESIGNATION (FOOTNOTE # 9)

• #668 ADVANCED COPYRIGHT PRACTICE—Professor Kornfield
• #754 BUSINESS TRANSACTIONS PRACTICUM I—Professor Lutz
• #759 BUSINESS TRANSACTIONS PRACTICUM II—Professor Lutz
• #411 ENTREPRENEURIAL BUSINESS PRACTICUM—Professor Loeks

PRACTICE/SIMULATION COURSES WITH “SPECIAL SIGN-UP PROCEDURES” (FOOTNOTE #8)

Students interested in any of the practice/simulation courses listed below must do TWO things:

(1) Complete the special sign-up procedure by the deadline
AND
(2) Request the seminar using the Law School’s Class Bidding Interface (CBI)
Student selection will take into account compliance with the special sign-up procedure by the specified deadline, then the use of priorities, and last the proximity to graduation. Therefore, you must decide whether to use a priority for practice/simulation courses requiring statements, interviews, etc.

Practice/simulation courses requiring a special sign-up procedure are:

- **#668 ADVANCED COPYRIGHT PRACTICE:**
  Students interested in taking this practice/simulation course must e-mail a statement of interest to Professor Kornfield (skornfield@BodmanLLP.com) no later than Friday, April 9 at 5:00 PM (EDT). Admission to this practice/simulation course is by permission of the professor (Prof Pick). During the Drop/Add period, admission off the waitlist is also by permission of the professor and not according to waitlist order.

- **#754 BUSINESS TRANSACTIONS PRACTICUM I:**
  Students interested in taking this practice/simulation course must e-mail a statement of interest to Janis Proctor (proctorj@umich.edu) no later than Friday, April 9 at 5:00 PM (EDT). The statement of interest should include why you want to be in the class. In addition, students must include: (1) resume, (2) relevant classes taken or are going to take in Fall 2010, (3) if you have a summer job, what will it be. Admission to this practice/simulation course is by permission of the professor (Prof Pick). During the Drop/Add period, admission off the waitlist is also by permission of the professor and not according to waitlist order.

- **#759 BUSINESS TRANSACTIONS PRACTICUM II:**
  Students interested in taking this practice/simulation course must e-mail a statement of interest to Janis Proctor (proctorj@umich.edu) no later than Friday, April 9 at 5:00 PM (EDT). In addition, students must include: (1) resume, (2) relevant classes taken or are going to take in Fall 2010, (3) if you have a summer job, what will it be. Admission to this practice/simulation course is by permission of the professor (Prof Pick). During the Drop/Add period, admission off the waitlist is also by permission of the professor and not according to waitlist order.

Admission to this practice/simulation course is by permission of the professor (Prof Pick). During the Drop/Add period, admission off the waitlist is also by permission of the professor and not according to waitlist order.

**UNUSUAL SCHEDULING PROBLEMS**

Students who have unusual scheduling problems such as those created by the requirements of a joint degree program, family responsibilities, etc., must send an e-mail describing the problem to (lawCBIAdmin@umich.edu) no later than Friday, April 9 at 5:00 PM (EDT). Every consideration will be given to unique scheduling difficulties, although it is not always possible to accommodate them.

**SPECIAL CIRCUMSTANCES**

Students who have a specific, compelling reason to take a particular seminar or practice/simulation course (beyond simply having a strong desire to be in the class) must send an e-mail explaining the reason to (lawCBIAdmin@umich.edu) no later than Friday, April 9 at 5:00 PM (EDT). Every consideration will be given to your request, although it is not always possible to accommodate them. If you are a candidate for graduation this term and have never had a seminar and do not have a priority
available to use, send an e-mail to (albishop@umich.edu) **no later than Friday, April 9 at 5:00 PM (EDT)** and I will do my best to get you into some seminar.

>>> **Seminar and Practice/Simulation Course Bidding Results** -- will be available to students on Friday, April 16. After CBI has been activated, an M Law Live announcement will be posted. Students will log into CBI and view their results via the “Results” link.
UPPER CLASS COURSE BIDDING

UPPER CLASS COURSES

Upper Class courses do not have waitlists!

SEMINARS AND PRACTICE/SIMULATION COURSES

In addition to requesting upper class courses, students can request open seminars and practice/simulation courses. CBI identifies the full/closed classes with a red “F”. Addition to the bottom of a waitlist for full/closed seminars and practice/simulation courses depends on the availability of a numbered waitlist position (1-15).

Students interested in requesting an open seminar or practice/simulation course which has a “special sign-up procedure” (footnote #8), need to refer to the Index and look-up SEMINARS WITH “SPECIAL SIGN-UP PROCEDURES” (FOOTNOTE #8) or PRACTICE/SIMULATION COURSES WITH “SPECIAL SIGN-UP PROCEDURES” (FOOTNOTE #8). The new submission date for the statement of interest, etc. is no later than Friday, April 23 at 5:00 PM (EDT). Please bear in mind, the optimum chance of selection was during the Seminar and Practice/Simulation Course Bidding cycle.

CREDIT LOAD

Upper class students can request permission to enroll in a 16 credit class load by e-mailing Assistant Dean, David Baum (dbaum@umich.edu) or Christine Gregory (crsgreg@umich.edu) for permission. If granted, the additional credit increase will be used during the Drop/Add period via Wolverine Access.

UNUSUAL SCHEDULING PROBLEMS

Students who have unusual scheduling problems such as those created by the requirements of a joint degree program, family responsibilities, etc., must send an e-mail describing the problem to (lawCBIAdmin@umich.edu) no later than Friday, April 23 at 5:00 PM (EDT). Every consideration will be given to unique scheduling difficulties, although it is not always possible to accommodate them.

SPECIAL CIRCUMSTANCES

Students who have a specific, compelling reason to take a particular upper class course (beyond simply having a strong desire to be in the class) must send an e-mail explaining the reason to (lawCBIAdmin@umich.edu) no later than Friday, April 23 at 5:00 PM (EDT). Every consideration will be given to your request, although it is not always possible to accommodate them.

FINANCIAL HOLD (NEGATIVE SERVICE INDICATOR)

The registration period allows students to temporarily reserve seats in law classes via the Law School's Course Bidding Interface (CBI). Obstacles such as a financial hold (negative service indicator) will prevent a student from becoming “officially” enrolled at the University. Due to features in the University’s centralized computer registration system, the Law School is not able to hold the temporarily reserved seats in law classes for a student who has a financial hold or time conflict. This means that a student who has a past due balance on their student account, bounced a check, wrote a personal check for tuition which is waiting to clear, owe a cable TV bill, etc., or have a time schedule
conflict will not be officially enrolled and lose their temporarily reserved seats in law classes. These classes will become available for other students to obtain during the Drop/Add period. You must have financial holds (negative service indicators) removed by Monday, April 26.

IMPORTANT: Students who do not register for classes using the Course Bidding Interface (CBI) or who lose their classes due to a financial hold (negative service indicator) or who lose their classes due to a time schedule conflict, must wait until the Drop/Add period begins to create a schedule with whatever courses are available at the time. Remember, “spent” CBI priorities are not returned!

>>> Upper Class Course Bidding Results -- will be available to students on Friday, May 7. After CBI has been activated, an M Law Live announcement will be posted. Students will log into CBI and view their results via the “Results” link.
SECTION II: DROP/ADD VIA THE UNIVERSITY’S WOLVERINE ACCESS SYSTEM

WOLVERINE ACCESS--DROP/ADD HAS TWO PARTS

(1) **Drop/Add** for the selection of upper class courses (**excluding** seminars and practice/simulation courses which have waitlists). Spring/Summer 2010 Drop/Add begins Tuesday, June 1 at 8:00 AM (EDT) and ends Tuesday, June 1 at 5:00 PM (EDT)—only ONE DAY. Fall 2010 Drop/Add begins Tuesday, June 1 at 8:00 AM (EDT) and ends Wednesday, September 15 at 5:00 PM (EDT). Addition to the waitlist for open and full/closed seminars and practice/simulation courses depends on the availability of a numbered waitlist position (1-15). Students can also drop upper class courses, seminars, and practice/simulation courses.

(2) **Waitlist Drop/Add** for classes with a waitlist (**including** seminars and practice/simulation courses). Fall 2010 Waitlist Drop/Add begins Tuesday, September 7 at 8:00 AM (EDT) and ends Wednesday, September 15 at 5:00 PM (EDT). Law appointments end at 5:00 PM (EDT). Each morning waitlists are checked, permission codes entered by the curriculum coordinator for non-Prof Pick seminars and practice/simulation courses. Selected students will have until 10 AM the next morning (unless otherwise noted in the e-mail) to enroll themselves before the “time sensitive permission code expires and the enrollment opportunity is lost!” Permission codes for Prof Pick (footnote #9) seminars and practice/simulation courses will be entered as received. Waitlisted students need to check their e-mail frequently between 10 AM and NOON during the Waitlist Drop/Add period.

WOLVERINE ACCESS--DROPPING AND ADDING CLASSES

DIFFERENCE BETWEEN COURSE BIDDING INTERFACE (CBI) AND WOLVERINE ACCESS

- A big difference between CBI and Wolverine Access is that students can no longer request open seminars and/or practice/simulation courses. At this point in time, students must **add** their name to the bottom of the waitlist for open and full/closed seminars and/or practice/simulation courses:
  - Through **Wednesday, September 15**, students can add themselves to the bottom of a waitlist if the seminar and/or practice/simulation course has at least ONE student already on the waitlist (to activate it) and if one of the 15 waitlist positions is available. Should you encounter a problem or have a question, please contact Amy Bishop (albishop@umich.edu).
  - Through **Wednesday, September 15**, students can drop themselves from a waitlist.

- An additional difference between CBI and Wolverine Access is the way “linked classes” are handled for registration purposes. CBI automatically picks-up the second of the two linked classes when students add or drop the first class. When adding or dropping linked classes via Wolverine Access students must add or drop BOTH classes. The linked classes are:
  - #777 Law and Development **and** #778 Law and Development Research
  - #910 Child Advocacy Clinic **and** #911 Child Advocacy Clinic Seminar
  - #920 Clinical Law I **and** #921 Clinical Legal Advocacy Seminar
  - #927 Criminal Appellate Practice **and** #928 Criminal Appel Pract Field
  - #933 Low-Income Taxpayer Clinic **and** #934 Low-Income Taxpayer Clinic Field
  - #936 International Taxpayer Clinic **and** #937 International Taxpayer Clinic Field
  - #952 Juvenile Justice Clinic **and** #953 Juvenile Justice Clinic Seminar
  - #951 Human Trafficking Clinic and #954 Human Trafficking Clinic Seminar
  - #955 Urb Communities Clinic **and** #956 Urban Communities Clinic Seminar
- Poverty Law in a Medical Legal Collaborative and Poverty Law in a Medical Legal Collaborative Seminar
- Michigan Innocence Clinic and Michigan Innocence Clinic Seminar

**REGISTRATION REQUIREMENTS**

- **Active Law Registration Appointment**
  - Your law registration appointment is the date and time at which Wolverine Access will allow you to enroll in term classes. You may **not** register prior to the date and time of your appointment.
  - You can check your law registration appointment date and time via the Student Center.
  - **Prior to your law registration appointment going active** (at the beginning of the Law Drop/Add period), you can place non-law classes in your Backpack but **cannot** enroll in any of them.

- **The edit option which allows non-law students to edit class enrollment preferences pertaining to grade basis, audit, variable credit hours, upper-level writing requirement (ULWR), and override time conflicts does not apply to law students.**
- The Law School has an in-house Pass/Fail system to allow students to change the grading basis for a class, if allowed. At the beginning of the term, students will be notified by an M Law Live announcement when the Pass/Fail system is available for use.
- Law students are not allowed to enroll themselves directly in a class with variable credits such as 900 Research. Please refer to the on-line Registration Instructions, Section IV: Research, for registration information.
- **Time conflicts (overlapping times) for law students are not allowed!** The University of Michigan Law School Academic Regulations state in Part Three: Term Credit Hour Regulations, Section III. Contact Amy Bishop, curriculum coordinator, (albishop@umich.edu) to see if this course can be taken again for credit. *Warning message only. You have successfully enrolled, please review your schedule.

- **Department Consent required to enroll in class, add not processed:** Do not contact the professor seeking permission to add the class! If you are selected for this seminar, practice/simulation course or clinic, you will receive an e-mail indicating that a “time sensitive” electronic permission code has been entered into Wolverine Access and you **must** add the course to your schedule by the date and time specified. Other courses have been coded with “Department Consent” to prevent students from enrolling themselves due to restricted access or a special registration procedure.

- **Instructor Consent required to enroll in class, add not processed:** Law students are not able to enroll in 900 Research (independent study) classes using Wolverine Access. Please follow the instructions in Section IV: Research.

If you have questions regarding the requisite, please contact Amy Bishop, curriculum coordinator, (albishop@umich.edu).

• **Time Scheduling Conflict for class X and class Y, not enrolled:** The class you are adding (ex: X) overlaps meeting times with a class in which you are already enrolled (ex: Y). **Law students may not override time conflicts!**

The process:

(1) On **Monday, August 9**, an e-mail will be sent to each student on a seminar and/or practice/simulation course waitlist to ascertain his or her desire to **REMAIN** on the waitlist.

(2) If the answer is YES, the student **must** reply to EACH waitlist e-mail received **no later than Thursday, August 12 at 5:00 PM**!

(3) **IMPORTANT**—It is imperative that you respond to EACH waitlist e-mail sent to you because the e-mail SUBJECT line pertains to a SPECIFIC class (number and title) and this information is a CRITICAL part of the culling operation. DO NOT use one e-mail to reply to multiple waitlist e-mails received. DO NOT ask questions in your reply e-mail because they will **not** be seen. Failure to follow instructions will result in removal from a waitlist or waitlists.

(4) If NO REPLY is received by the above listed deadline, the student’s name will be marked for **removal** from the waitlist. The actual removal process will take a few days to complete so please DO NOT mistake the interim period as clemency. **There is NO grace period in the culling process!**

(5) The student will be able to add their name to the bottom of the waitlist but their original waitlist position will be **GONE**.

WOLVERINE ACCESS--PERMISSION CODE

A student attempting to enroll in a seminar, practice/simulation course, or clinic without an electronic permission code (even if s/he is the first person on the waitlist and there is an available seat in the class) will be stopped. Law students **must** ignore the University’s standard “Department Consent” error message and be patient! DO NOT try to “jump the waitlist” by contacting the professor to seek permission to add the class! If you are selected from the waitlist, you will be contacted by e-mail.

NON-PROF PICK CLASSES

Beginning **Tuesday, September 7**, the curriculum coordinator will review the waitlists for NON-Prof Pick seminars and practice/simulation courses. If a seat is available, the curriculum coordinator will take the first student from the waitlist, enter an electronic permission code, and send the student a "time sensitive" e-mail. Each student will have until **10:00 AM the NEXT morning or the time specified in the e-mail** to add the class via Wolverine Access. To enroll in the class, the student **must** do TWO things:

(1) **DROP** the class (to drop off the waitlist)

(2) **ADD** the class (to enroll)

The electronic permission code will work in the background once the “Register for Class” button is clicked. **If the student fails to add the class by the designated date and time found in the e-mail, the enrollment opportunity will be LOST and the next student on the waitlist (in waitlist order) will be offered the seat.**

PROF PICK CLASSES

Seminars and practice/simulation courses that are designated Prof Pick (footnote #9 in the class schedule) means the professor will select students for the class. The curriculum coordinator will enter an electronic permission code for selected students and send them a "time sensitive" e-mail. Each student will have until **10:00 AM the NEXT morning or the time specified in the e-mail** to add the class via Wolverine Access. If the student is on the waitlist, s/he **must** do TWO things:
(1) DROP the class (to drop off the waitlist)

AND

(2) ADD the class (to enroll)

If the student is not on the waitlist, s/he can ADD the class (to enroll).

The electronic permission code will work in the background once the “Register for Class” button is clicked. **If the student fails to add the class by the designated date and time found in the e-mail, the enrollment opportunity will be LOST and the professor contacted for another student selection.**

WOLVERINE ACCESS--NON-LAW COURSES TAKEN AT THE UNIVERSITY OF MICHIGAN AND A COURSE TAKEN AT ANOTHER UNIVERSITY

If approved, foreign graduate students (LL.M) may take up to six credits and second- or third-year J.D. students may take up to twelve credits outside of the Law School and apply these credits to their J.D. degree. (Ordinarily, only graduate-level non-law courses at the University of Michigan will be approved for credit. Exceptions are made for foreign language courses--see note below.) For J.D. students, a maximum of six out of these twelve may be taken at another ABA approved law school. Permission must be obtained from Assistant Dean Baum (dbaum@umich.edu) PRIOR to enrolling in the class!

APPLICATION PROCESS TO TAKE A NON-LAW COURSE AT THE UNIVERSITY OF MICHIGAN

Go to the Office of the Registrar’s home page (http://www.law.umich.edu/currentstudents/registration/Pages/default.aspx), Registration (left column), External Enrollment, and Request for Permission to Take a Non-Law Course at the University of Michigan. Complete and submit the on-line form. Assistant Dean Baum must review and approve the non-law course BEFORE credit can be counted toward the JD degree.

If the course is approved, register for the class using Wolverine Access during the Law School Drop/Add period. You can look up non-law course M-Pathways class numbers the same way you look up Law School class numbers. The University’s Schedule of Classes is an on-line document. The link is: http://ro.umich.edu/schedule/.

If for any reason you need permission to enroll in a non-law course (e.g., Permission of the Instructor, Department Consent, class is full, etc.) work with the department that supervises the non-law class to obtain permission to enter the restricted course, not the Law School. For example, if a particular Business School class is full, you would have to go to the Business School to get permission to enroll in that class. Students who receive permission to take Business School courses will most likely not be given permission by the Business School to enroll until the start of classes. Students should pick up a permission slip from the Academic Services, Level Two, Suite E2520, and take the slip to the first class meeting. The permission granted is in the form of an electronic code entered by the Business School. Once it is entered, use Wolverine Access to add the class to your term schedule.

NOTE FOR THOSE STUDENTS SEEKING TO TAKE FOREIGN LANGUAGE COURSES AT THE UNIVERSITY OF MICHIGAN

Before requesting law degree credit for a particular foreign language course, please consult with the appropriate foreign language department in order to ascertain the appropriate course for which to enroll. Sometimes foreign language departments will make you take a placement test; sometimes they will be able to recommend the proper course after speaking with you about your background with that language.
“NDC” (NOT FOR DEGREE CREDIT)
When a law student enrolls in a non-law class, a default grade basis is automatically assigned until the final grade is posted. The grade basis you will see is NDC (Not for Degree Credit).

“S” (MANDATORY LIMITED GRADE OPTION PASS) GRADE VS. LETTER GRADE
If you complete a non-law course with a B- or higher grade you will receive credit toward your law degree, less than B- grade no credit toward you law degree and the letter grade earned is posted on your transcript. The default grade for a non-law course is the letter grade earned. You can elect to have the "S" (mandatory pass) grade posted on your transcript for a non-law course completed with a B- or higher grade. To request this change, you must come to the Office of the Registrar, 300 Hutchins Hall, and file a Limited Grade Option (Pass/Fail) Form by the beginning of the exam period for the department, school, or college offering the course. Note: whether or not you opt to have a letter grade or an “S” grade appear, this credit will not be factored into your Law School GPA and will be counted as mandatory limited grade option (pass) credit.

APPLICATION PROCESS TO TAKE A COURSE AT ANOTHER UNIVERSITY:
Students must complete and submit a Request for Approval of Course Taken at Another University Form for the class requested. The form resides on the Office of the Registrar web page, Registration (located in the left-hand column), External Enrollment (located in the middle of the blue colored box), and the required form is among the items listed. The link is: http://www.law.umich.edu/currentstudents/registration/registration/Pages/default.aspx. This detailed form provides a record of the student's request and is the vehicle through which the enrollment decision is e-mailed to the student. Assistant Dean Baum must review and approve the non-law course BEFORE credit can be counted toward the JD degree.

WOLVERINE ACCESS--ADD/DROP PROCEDURES FOR NON-LAW CLASSES AFTER THE END OF THE LAW SCHOOL’S DROP/ADD PERIOD

ADD A NON-LAW CLASS BY THE UNIVERSITY'S DROP/ADD DEADLINE OF Monday, September 27:
Complete and submit the External Enrollment Form (found on the Law School’s Office of the Registrar web page). Once you receive the e-mail approval for the non-law class from Assistant Dean Baum, and the non-law department has entered an electronic permission code into Wolverine Access, you need to register for the class by sending an e-mail to Amy Bishop (albishop@umich.edu) and including the following information:

- FULL name (no nicknames)
- EMPLID number (listed on your U of M ID card)
- Uniqname
- Department
- 3-digit catalog/course number
- Course title
- 5-digit class number
- Section number
- Term/year

DROP A NON-LAW CLASS BY THE UNIVERSITY'S DROP/ADD DEADLINE OF Monday, September 27:
If you need to drop a non-law class by the University's deadline, come to the Office of the Registrar, 300 Hutchins Hall, obtain the 4-part Course Election Change (Drop/Add) Form from Jan (our receptionist), complete it, and drop the form in the brown wooden box on the counter. The form will be processed and you will be dropped from the non-law class.
DROP A NON-LAW CLASS AFTER THE UNIVERSITY'S DROP/ADD DEADLINE OF Monday, September 27:
If you need to drop a non-law class after the University's deadline, you must obtain approval from the school, college, or department. Contact the advising office for the school, college, or department to request the paperwork and then go to the University's Office of the Registrar, LSA Building, 500 South State Street, to process the paperwork.

WOLVERINE ACCESS--NON-LAW STUDENTS WHO WANT TO TAKE A LAW CLASS

PROCEDURE FOR NON-LAW STUDENTS TO REQUEST ENROLLMENT IN A LAW CLASS

- Non-law students should consult with the law professor to make sure that it is advisable and appropriate for them to enroll in the class. (If the non-law student fails to consult with the professor, he or she assumes the risk of any resulting problems.)
- The non-law student must complete an External Enrollment Form for EACH law class requested. The form resides on the Office of the Registrar Web page, Registration (in the left-hand column), and is found in the middle of the blue colored box. The link is: http://www.law.umich.edu/currentstudents/registration/registration/Pages/default.aspx (This detailed form provides a record of the non-law student's request and is the vehicle through which the enrollment decision is e-mailed to the student.)
- The credit received for a law class can NEVER be used toward a law degree from the University of Michigan Law School!

PROCEDURE FOR PROCESSING THE EXTERNAL ENROLLMENT FORMS FROM NON-LAW STUDENTS

- During the term Drop/Add Period, it is safe to assume that all current law students have had a chance to enroll in law classes and it is now time to review the External Enrollment Forms from non-law students.
- If the requested law class is an upper class course (not a first-year class, practice/simulation course, or clinic) and has plenty of seats available, the External Enrollment Form will be approved and an electronic permission code will be entered into M-Pathways so the non-law student can use Wolverine Access to enroll themselves in the law class prior to the listed deadline.
- If the number of seats is very limited, the request will be rejected, as we cannot shutout law students during the Drop/Add Period. The non-law student can reapply at the beginning of the term.

SEMINAR (800 SERIES) EXCEPTIONS

- If a non-law student requests a seminar that is not full/closed and there are no law students on the waitlist the professor will be contacted for an enrollment decision.
- If the seminar is full/closed and there are law students on the waitlist, the non-law student request will be rejected. The non-law student can reapply at the beginning of the term.
- If a seminar is full/closed but the room's maximum seating capacity has not been reached and the professor wants to take a particular non-law student as an additional student, the professor needs to e-mail Amy Bishop (albishop@umich.edu) so the student’s External Enrollment Form can be processed.
WOLVERINE ACCESS--ADD/DROP PROCEDURES FOR LATE STARTING LAW CLASSES

A list of late starting upperclass courses, seminars, and/or practice/simulation courses will be e-mailed to students at the end of the Law School’s Drop/Add period.

ADD A LATE STARTING LAW UPPERCLASS COURSE

If there is a seat available, come to the Office of the Registrar, 300 Hutchins Hall, and obtain the 4-part Course Election Change (Drop/Add) Form from Jan (at the front desk), complete it, and place the form in the brown wooden box on the counter. The form will be processed on a first come basis until the maximum class/room capacity is reached.

NOTE: If adding a class increases your total credits above 15, you must make an appointment to see either Assistant Dean, David Baum (301 Hutchins Hall, 764-0516) or Christine Gregory (311 Hutchins Hall, 615-0019) to complete the add process.

DROP A LATE STARTING LAW UPPERCLASS COURSE

Before the appropriate drop/add deadline passes, come to the Office of the Registrar, 300 Hutchins Hall, obtain the 4-part Course Election Change (Drop/Add) Form from Jan (at the front desk), complete it, and place the form in the brown wooden box on the counter. The form will be processed and you will be dropped from the class.

NOTE: If dropping a class decreases your total credits below 10, you must make an appointment to see either Assistant Dean, David Baum (301 Hutchins Hall, 764-0516) or Christine Gregory (311 Hutchins Hall, 615-0019) to complete the drop process.

ADD A LATE STARTING LAW SEMINAR AND/OR PRACTICE/SIMULATION COURSE

The existing waitlist process will apply with one exception--if you are offered a seat, Amy Bishop (albishop@umich.edu), curriculum coordinator, will enroll you in the class.

NOTE: If adding the class increases your total credits above 15, the seat will be held and you will be contacted by e-mail.

DROP A LATE STARTING LAW SEMINAR AND/OR PRACTICE/SIMULATION COURSE

Before the appropriate drop/add deadline passes, come to the Office of the Registrar, 300 Hutchins Hall, obtain the 4-part Course Election Change (Drop/Add) Form from Jan (at the front desk), complete it, and place the form in the brown wooden box on the counter. The form will be processed and you will be dropped from the class.

NOTE: If dropping a class decreases your total credits below 10, you must make an appointment to see either Assistant Dean, David Baum (301 Hutchins Hall, 764-0516) or Christine Gregory (311 Hutchins Hall, 615-0019) to complete the drop process.
SECTION III: 900 RESEARCH

Students pursue independent research project under faculty supervision.

**J.D. PROGRAM**—Second- and third-year students with an honor point average of at least 2.0 may enroll for 1 to 3 credits of independent research under any member of the Law School faculty who is willing to supervise such work. The credit to be given, as well as the scope and subject matter of the project, will normally be determined by the faculty member who undertakes to supervise and grade the student's research. **If more than 3 credits is to be given for the project,** both the project and the completed product must be approved by a committee of three faculty members, one of whom must be the faculty member responsible for supervising the research. A student may **not** offer more than a total of 6 credits earned for independent research in satisfaction of the requirements for the J.D. degree.

**M.C.L. or LL.M. PROGRAM**—Students may enroll for 1 to 6 credits of independent research under any member of the Law School faculty who is willing to supervise such work. The credit to be given, as well as the scope and subject matter of the project, will be determined by the faculty member who undertakes to supervise and grade the student's research. A student may **not** offer more than a total of 6 credits earned for independent research in satisfaction of the requirements for the M.C.L. or LL.M. degree. If a student wishes to receive more than a total of 6 credits of independent research toward the MCL or LLM, he or she first obtains the approval of the Global Affairs Committee through the Assistant Dean for International Affairs.

**LL.M./S.J.D. PROGRAM**—Students may enroll for 1 to 6 credits of independent research under any member of the Law School faculty who is willing to supervise such work. The credit to be given, as well as the scope and subject matter of the project, will be determined by the faculty member who undertakes to supervise and grade the student's research. **If more than 6 credits is to be given for the project,** both the project and the completed product must be approved by a committee of three faculty members, one of whom must be the faculty member responsible for supervising the research.

Students are **not** able to enroll themselves in 900 Research (independent study) classes via CBI or Wolverine Access.

Once you have made arrangements with a professor—including the number of credits—please do the following to make your 800 Seminar Supplement request:

Send an e-mail to (lawCBIAdmin@umich.edu), please make “900 Research” the subject line. The e-mail **must** contain the following information:

- Your FULL name (no nicknames)
- Your EMPLID (it is listed on your U of M ID card)
- Your PROGRAM
- Professor’s FULL name (remember, we have many professors with the same last name and even the same first initial)
- Credit(s)
- Term in which you want to be enrolled

**The 900 Research request should be made PRIOR to the last class day of the term.** If your supervising professor changes, please e-mail Amy Bishop (albishop@umich.edu) so your enrollment can be updated.

**IMPORTANT**—Due to increased activity at the start of the term, 900 Research e-mails will not be processed until the term Drop/Add period has ended. **WARNING**—To avoid potential tuition billing problems, make sure you are enrolled in 10 credits (full-time status) PRIOR to the start of the term!
SECTION IV: UPPER CLASS COURSES WITH A “PAPER OPTION” (FOOTNOTES #18 and #19)

J.D. STUDENTS

The upper class courses in the class schedule annotated with footnote #18 and #19 offer students the option of writing a paper instead of taking the final exam. The paper fulfills the law upper-level writing requirement (LUWR) for JD students and the research requirement for LLM students. Exception—when the course is requested by Fall Starters as the first-year elective. To choose the “paper option” students must complete TWO steps:

1. Make arrangements with the professor to write a paper instead of taking the final exam AND
2. Request enrollment in the paper option section of the course by sending an e-mail to lawCBIAdmin@umich.edu and make “Paper Option” the subject line.

This request must be made no later than the last day of classes for the term in which you are enrolled for the class UNLESS an earlier deadline has been established by the professor. The e-mail should contain the following information:

- Your FULL name (no nicknames)
- Your EMPLID number (listed on your U of M ID card)
- Professor’s FULL name (remember, we have many professors with the same last name, and even the same first initial in one case)
- 3-digit course number
- Course title
- 5-digit class number of the section to drop (the section in which you are enrolled)
- 5-digit class number of the section to add (the section displaying footnote #4)
- Term in which you are making the section change

RACKHAM STUDENTS

Rackham students must follow the instructions above so the curriculum coordinator can add an electronic permission into the M-Pathways system. Next, the student visits their department advisor and completes an Election Worksheet (drop/add form) to cover the above listed course swap. The advisor must approve the course swap (signature on the form). Once that is finished, the student can take the election worksheet to the University Office of the Registrar with photo I.D. and have it processed.
SECTION V: 800 SEMINAR SUPPLEMENT (FOOTNOTES #39 AND #40)

Students are not able to enroll themselves in the 800 Seminar Supplement class via CBI or Wolverine Access. The 800 Seminar Supplement on its own does not fulfill the upper-level writing requirement.

NOTE: Whether or not to permit a student to enroll for the 800 Seminar Supplement is entirely the decision of the professor teaching the seminar.

EXCEPTION--Beginning Winter 2010, when a Fall Starter requests a seminar (noted in the class schedule with footnote #39) as the first-year elective NO additional credit is allowed.

Seminars that qualify for the 800 Seminar Supplement credit are noted in the class schedule with footnote #39.

Seminars offered at 3 credits are not eligible for the one credit 800 Seminar Supplement and are noted in the class schedule with footnote #42.

Based on the professor's wishes, some seminars offered at 2 credits are not eligible for the one credit 800 Seminar Supplement and are noted in the class schedule with footnote #44.

Once you have the professor's approval for the additional credit, please do the following to make your 800 Seminar Supplement request:

Send an e-mail to (lawCBIAdmin@umich.edu) and please make “800 Seminar Supplement” the subject line. The e-mail must contain the following information:

- Your FULL name (no nicknames)
- Your EMPLID (it is listed on your U of M ID card)
- Professor’s FULL name (remember, we have many professors with the same last name and even the same first initial)
- Credit(s)
- Term in which you want to be enrolled

The 800 Seminar Supplement request should be made PRIOR to the last class day of the term.
SECTION VI: ADDITIONAL INFORMATION

REDUCED AND EXCESS COURSE LOADS

Students must register for a minimum of 10 credits (for full-time status) and a maximum of 15 credits each term. EXCEPTION—Fall Starters, in their first winter term, will register for a maximum of 16 credits. If a student wishes to go below the minimum or above the maximum course load, s/he must request permission by sending an e-mail to either Assistant Dean, David Baum (dbaum@umich.edu) or Christine Gregory (crsgreg@umich.edu).

DUAL DEGREES

CURRENTLY, MICHIGAN LAW STUDENTS CAN CHOOSE FROM THE FOLLOWING 14 FORMALLY ESTABLISHED DUAL DEGREE PROGRAMS

- Law and Business Administration (JD/MBA)
- Law and Chinese Studies (JD/MA)
- Law and Economics (JD/PhD)
- Law and Information (JD/MSI)
- Law and Japanese Studies (JD/MA)
- Law and Modern Middle Eastern and North African Studies (JD/MA)
- Law and Natural Resources (JD/MS)
- Law and Public Health (JD/MHSA or JD/MPH)
- Law and Policy Studies (JD/MPP)
- Law and Russian and East European Studies (JD/MA)
- Law and Social Work (JD/MSW)
- Law and Urban and Regional Planning (JD/MUP)
- Law and World Politics (JD/MA)

ADDITIONAL DUAL DEGREE OPPORTUNITIES

Law students at Michigan can also design their own dual degree programs. Michigan J.D. candidates have pursued concurrent graduate programs in American Culture, Asian Studies, Comparative Literature, Education, History, Mechanical Engineering, Philosophy, and Women's Studies. Applicants should be aware that requirements for some graduate programs may include special language facility, advanced study in science, or additional terms at the University. The Bulletins of the other schools and colleges of the University and of the Horace H. Rackham School of Graduate Studies should be consulted for more complete information about the requirements for ad hoc dual degree programs.

APPLICATION TO DUAL DEGREE PROGRAMS

With the exception of the joint J.D./Ph.D. in Economics, students do not have to decide to pursue a joint degree program before entering law school. Application may be made to both schools in advance, with a deferral requested from the school to be attended during the second year, or application may be made to the second school during the first or second year of law classes. Whenever application is made, a student must be admitted independently to each of the schools from which he or she is seeking degrees. A joint degree program is not open to anyone who has already earned either degree. The Law School cannot accept credits earned in other graduate programs prior to matriculation at the Law School.

DUAL DEGREE REGISTRATION
Dual degree students must register for law classes under their law career not under their graduate school career! For example, dual degree students cannot take a law class (even if it is NDC--not for degree credit) under the graduate school career or vice versa. The careers and related courses must be kept separate.

TUITION
Tuition is assessed at either the Law School or the Graduate School rate, whichever is higher, when courses toward both degrees are taken in a single term.

ELECTIVE PASS/FAIL OR LIMITED GRADE OPTION

Academic Regulations for JD students
Part One, Section VI

A. The Elective Pass/Fail or Limited Grade Option (applies to students who matriculated prior to May 2009)

1. Subject to the limitations set forth hereafter, any elective course or seminar may be taken on a limited grade basis at the option of the student. When a course is taken under this option, the instructor will grade the student’s performance as “P” (for “C” or better work), C-, D+, D or E. If a grade below C is received, and the student subsequently receives a passing grade through a repeat examination or otherwise, as provided in Part V, Section III, the grade recorded shall be a “C” (not a “P”), and the course will continue to be counted in determining the total limited grade option credit hours allowed under these regulations.

2. The following limitations apply to election of the limited grade option:

   a. The option may not be elected for any of the required first-year courses.
   b. The instructor for a given course may deny the option. Reasonable notice of such denial will be given to students prior to course election time, usually in the registration materials.
   c. No more than two courses or seminars may be taken under this option during the student’s last term in residence. Only one such option may be elected if the last term is a summer term.
   d. Limitations on the number of limited grade option credit hours which may be submitted for the various degrees are set forth in Part One, Sections I and III.

3. Students electing the limited grade option in a course that is normally given on a graded basis must make the election on-line or, in certain circumstances, file the appropriate form with the Registrar of the Law School before the final exam becomes generally available. In addition to making the election on-line or filing the required form, a student making this election must write the word “ungraded” at the top of the front cover of the required examination or paper. By prior
announcement, the instructor for a given course may permit the election to be postponed until the
time the exam is handed in. In this case, students who elect the limited grade option when the
exam is handed in should so indicate on the examination and file an appropriate form with the
Registrar of the Law School as soon as the exam as possible. In courses in which graded
quizzes, papers, or other assignments are given and returned during the term, the instructor may
accelerate the deadline to a date no earlier than one week before the due date of the quiz, paper,
or other assignment. Notice of the accelerated date must be given to students by announcement
in class and on the appropriate bulletin board. Instructors who establish early deadlines will not
be informed of the names of students electing the limited grade option until that information is
available for all courses that term.

CONVERSION OF A LETTER GRADE TO A “PASS”

Academic Regulations for JD students
Part One, Section VI

B. Conversion of a Letter Grade to a “Pass” (Applies To Students Who Matriculated In May 2009
Or Thereafter)

1. Subject to the limitations set forth hereafter, a student may elect to convert a letter grade in
any elective course or seminar to a “Pass” represented by a “P,” for “C” or better work. A
student may not elect to convert a grade of C-, D+, D or E to a “P.” If a student receives a grade
below a C, and the student subsequently receives a passing grade through a repeat examination
or otherwise, as provided in Part V, Section III, the grade recorded shall be a “C,” and the
student may not elect to convert that “C” to a “P.”

2. The following limitations apply to a student’s right to elect to convert a letter grade to a “P”:
   a. A student may not convert a letter grade in any required first-year course.
   b. The instructor for a course may deny the option to convert a letter grade to a “P.” The
      instructor must give reasonable notice of such denial to students before course election
time, usually in the registration materials.
   c. A student may only convert a letter grade to a “P” in two courses or seminars during the
      student’s entire law school career.
   d. Limitations on the number of credit hours which may be converted to a “P” for the
      various degrees are set forth in Part One, Sections I and III.

3. A student electing to convert a letter grade to a “P” must make the election through the
Office of the Registrar using the process designated by that Office within three weeks after all
grades are posted after a semester. The Registrar’s Office will provide notice to students once
all grades are posted after a semester.

   a. During the three-week period, a student may only choose to convert a letter grade to “P”
in courses taken during the immediate past semester.
   b. If a student receives an “Incomplete” in a course, the student shall have three weeks from
the time the professor assigns a letter grade to convert that letter grade to a “P.”
   c. Once the three-week period has ended, any conversion of a letter grade to a “P” becomes
final and may not be reversed, revoked or transferred, even if hindsight proves that another
choice would have been more beneficial.

VETERANS BENEFITS

All students who are eligible for and elect to receive education and training benefits while attending the University are required to register with the Certification Office, Room 1510 LSA.

BOOKS

The main bookstore that carries books for law courses is Ulrich’s, located at the corner of E. University and S. University Streets.

DIPLOMA APPLICATIONS

Students applying for graduation MUST use the self-service graduation application in Wolverine Access. The Student Business Help Page has a link to Graduation.
ACADEMIC REGULATIONS

Students should carefully consult the Academic Regulations for their program, which is available on-line (http://www.law.umich.edu/currentstudents/registration/Pages/default.aspx), in the lower right-hand column, regarding such matters as:

- Professional Responsibility requirement
