I understand that the above student is receiving academic credit for this experience, and I agree to the following conditions for participation in the University of Michigan Law School Externship Program:

1. I accept primary responsibility for supervision of the above student and will serve as the “Supervising Attorney.” I understand that a Supervising Attorney must be a licensed attorney in good standing, must have a minimum of three years of legal experience, and must be available, preferably on-site, to observe, critique, and review the student’s work.

2. I will meet with my student frequently, on a weekly basis if possible, to provide consistent feedback on the student’s performance. I understand that my student will not receive a letter grade for the field work with me, and therefore, I am encouraged to be as honest as possible so that my student can maximize learning and professional development. I will strive to provide meaningful feedback on assignments or legal tasks as quickly as possible.

3. I understand that my student is required to set realistic goals for this experience, and will review the student’s goals in order to develop a workable plan for the semester. I understand that I will be required to complete a final evaluation of my student’s performance and meet with my student about that evaluation before the semester ends.

4. I will do my best to provide my student with meaningful and challenging legal work that exposes him/her to the variety of legal tasks and issues that a lawyer in this practice regularly confronts and that allows him/her to develop legal skills, legal judgment, ethical sensibilities, and problem-solving skills. Whenever possible, I will include my student in staff meetings, client meetings, court proceedings, and the like. I agree that will not assign my student primarily make-work tasks, such as copying, intake, or covering the front desk.

5. I understand that my student is enrolled in a co-requisite seminar taught by the Faculty Supervisor and that my student will be required to submit regular reflective essays to the Faculty Supervisor and to participate in class discussions with other students. I will talk to my student about the confidentiality rules in our office to ensure that my student does not violate confidentiality through the seminar work.

6. If any problems arise with my student, if I have any concerns about my student’s professionalism, judgment, or ability to work in my office, or if I have any questions generally, I will immediately contact Amy Sankaran, Faculty Supervisor/Director of Externship and Pro Bono Programs, at aharwell@umich.edu or 734.764.7787.
