### **What is UCI Giving Day?**

UCI Giving Day is a 24-hour online giving campaign bringing the UCI community together to celebrate the Anteater spirit.

### **YOUR IMPACT**

We hope you will join us as we raise funds to support the research at the [National Registry of Exonerations](#). Our MISSION is to provide comprehensive information on exonerations of innocent criminal defendants in order to prevent future false convictions by learning from past errors. The National Registry of Exonerations lists more than 2,500 exonerations of innocent defendants who spent more than 22,000 years in prison, including 160 exonerees who served at least 25 years each.

Our research is powered by donors like you. Every dollar donated to the Registry goes directly to help us study and disseminate information on wrongful convictions, why they occur and how to prevent them. We are extremely grateful for any support you can give.

Together, we can build a brilliant future for UCI and our communities.
