Re: Public Records Request

Dear Ms. Kaul:

This letter is in response to your request for public records dated and received on February 14, 2014, for the following:

1. Any current prisoner handbook or manual (including any inmate orientation handbook or manual), system-wide or institution-specific.
2. All current prisoner grievance regulations, policies, guidelines, manuals, directives, rules, etc., including general grievance policies/guidelines/etc. and specific grievance policies/guidelines/etc. relating to, for example, health care or sexual assault. By "**grievance**," we mean any grievance or complaint, whether formal or informal, whatever the subject matter.
3. Any records, created or updated from 2003 to the present, tallying or reporting:
  - The number of grievances filed and resolved each year.
  - The categories or subject matter of grievances filed and resolved, and number of grievances in each subject matter category used (for instance, grievances related to food, *Prison Information Project Public Records Request*, p. 2 of 2 health care, use of force, etc., and including both ordinary and "sensitive" complaints such as those involving allegations of staff misconduct)
  - Grievance outcomes or resolutions each year, by subject matter category and year.
  - Statistics or data on length of time to resolve grievances, by subject matter category and year.
  - We are not requesting individual grievance records. We are only requesting records that summarize, aggregate, or compile grievance data.
4. Any current policy for prisoner mail or correspondence, including regular and legal mail, prisoner receipt of newspapers, magazines, newsletters, and books.
