Inmate Housing Rules and Reference Guide

I. **PURPOSE:** To establish rules, guidelines, and provide information for the inmate population at Baylor Women's Correctional Institution (BWCI). Rules must be followed at BWCI. Inmates will be treated humanely and encouraged to participate in activities which may change negative behaviors. While committed to BWCI, treatment staff will develop a plan based on inmates' needs and the needs of the facility. Counseling services are provided in several areas including, but not limited to, substance abuse treatment, anger management, and sex offender treatment. Inmates may receive additional vocational training, education, religious, and recreational services. Participation in services or activities will be determined by the inmates' behavior and classification.

II. **Definitions:**

Altered items: Any item changed from its original form.

Contraband: Anything which is not authorized on the grounds of Baylor Women's Correctional Institution.

Dangerous Contraband: Any contraband by its nature, which presents a danger to the safety of anyone.

Non-Dangerous Contraband: Any contraband by its nature, which does not present a danger to the safety of anyone.

Legal mail: Mail to or from attorneys, legal aid services, federal or state courts, the Attorney General's Office (federal or state), and/or elected officials. Any other mail not specified above would be considered regular mail.

Privileges: Any benefit, to include but not limited to, visits, phone calls, commissary, and recreation, given to an inmate by facility policy which can be temporarily revoked.

8. Dental services are located within the facility to address necessary dental concerns.

R. PRISON RAPE ELIMINATION (PREA)

1. The Prison Rape Elimination ACT (PREA) of 2003 is a federal law established to support the elimination and prevention of sexual assault/sexual misconduct in correctional systems. PREA addresses both inmate-to-inmate sexual assault and staff-to-inmate sexual assault. The Delaware Department of Corrections and Delores J. Baylor Women's Correctional Institute fully support the guidelines set forth in this law and remains committed to a zero-tolerance policy against sexual violence.
2. Victims of a sexual assault or any sexual coercion should report the incident to any staff member as quickly as possible. Victims unwilling to report sexual assault to facility staff members may contact the Institutional Investigator's office in writing through in-house mail. Information will be received and investigated in a confidential manner.
3. Forced or coerced sexual behavior is a criminal act that merits criminal prosecution. Substantiated incidents will be reported to the Delaware State Police for a formal investigation.
4. In an effort to minimize the risk of becoming a victim, these are several things which should be considered:
 - a. Avoid isolated or secluded areas.
 - b. Be aware of body language.
 - c. Never share personal information.
 - d. Never accept gifts from another inmate.
 - e. Be cautious of inmates offering protection.
 - f. Report all acts of violence.
5. Sexual abuse incident reporting by victimized offenders is best handled by a timely report of the details. Non-victimized offenders, aware of the sexual abuse, may report additionally. These communications may take form as follows:
 - a. Immediate report to a staff member
 - b. Sick call process
 - c. Grievance, (Grievances shall be identified by writing SA at the top)
 - d. A phone call to someone outside of the facility, who can make an inquiry
 - e. Contacting the institutional investigator
 - f. Writing a sealed, confidential letter to the Warden
 - g. Contacting Internal Affairs via inmate phone system at number *9667
 - h. Outside resources
6. All inmates are issued the Department of Correction PREA Handbook for offenders upon admission for additional reference.

S. MAIL:

Inmates will be allowed to correspond with others, except other inmates, unless your privilege is withdrawn as a result of disciplinary action, taken where an abuse of the mail privilege is found, or action taken where a person requests termination of correspondence. Incoming mail will be opened and inspected prior to delivery to the inmates. Outgoing reasonably suspected of containing contraband, and/or appearing to be fictitious in either name or address, may be opened and inspected.

1. Outgoing Mail:

- a. Mail received in the Mail Room must include postage. Legal mail must include postage or a Pay-to for postage. If postage is not included, mail will be returned to the inmate.
- b. Outgoing mail will be placed in the building's mailbag or given to staff if a mailbag is not available.
- c. Outgoing packages will be forwarded to the Mail Room via Housing Unit staff. Inmates will complete a Pay-to (Form #34) leaving the amount blank. Packages will be sent unsealed to allow for inspection. Mail Room staff will be responsible for sealing the package, postage calculation, and annotation of the postage amount on the pay-to.
- d. When requesting mail to be sent as certified, the following must be accomplished by the inmate:
 - i. Submit a Pay-to made payable to the U.S. Post office attached to the items, covering the costs involved in processing.
 - ii. Mark the Pay-to as Certified Mail and if the inmate wants a receipt, the request will be written on the Pay-to form.

2. An inmate is considered eligible to purchase indigent supplies for correspondence if they have less on their inmate account than the amount necessary to purchase the supplies for two consecutive months, as calculated on the first day of the month. Amounts will be deducted from the inmate's account once funds are made available.

3. Incoming Mail

- a. To receive mail, the following information must be included on the envelope or package:

Inmate's name and SBI number
Baylor Women's Correctional Institution
660 Baylor Blvd
New Castle, DE 19720

- b. Money orders or cashier's checks received by mail for inmates are removed from the envelope. A receipt shall be forwarded to the inmate. The inmate's account may not exceed \$500. Cash and checks are not permitted to be received by mail.
 - c. Authorized items received must be prepaid. Any unauthorized item mailed into the facility may be sent out at the inmate's expense or refused.
 - d. The inmate will be notified in writing if mail is rejected. Notifications will include instructions for the appeal and disposition process.
4. Delivery of Legal Mail:
- a. Inmates will be directed to sign for Legal Mail at the time of delivery. Legal mail will be opened by staff in the presence of the inmate and checked for contraband. If there is a refusal to sign, the mail will be returned to the mailroom.
 - b. Money orders and cashier checks are not permitted to be sent in with legal mail and when discovered will be confiscated.

T. THE PAY-TO SYSTEM is a process to allow inmates to authorize payment of money from their inmate fund account. Pay-to forms (form #34) may be acquired from housing unit staff.

1. Inmates will complete Pay-to forms with required information: name, SBI, date, the name (and address when applicable) to whom the money is being sent. This completed pay-to will be submitted to housing unit staff for processing in the housing unit's pay-to log.
2. Housing unit staff will review the submitted pay-to form and after verifying the inmate's identity they will sign the pay-to form.
 - a. Dollar amounts of \$99 and below will be signed by the housing staff or lead-worker.
 - b. Dollar amounts or \$100 to \$999 will also be signed by the area lieutenant.
 - c. Dollar amounts which exceed \$1000 will also be signed by the Shift Commander.
3. Housing unit staff will process the pay-to by annotating a chronological log number from the log book. The pay-to will then be submitted with the log sheet to the Business Office for processing of inmate funds.

U. VISITING:

1. The visit scheduling office will be open 0900 to 1500hrs. Monday thru Wednesday. Visits are scheduled by calling (302)-577-5837. Information for rules of inmate visitors for this institution can be found on the Department of Correction's website under FAQs.
2. Inmates are eligible for one visit once per week for duration of one hour.
3. Inmates and visitor will not cross communicate with other inmates and visitors.
4. Inmates will not wear any jewelry or watches (except wedding band) to the visit. Inmates will not wear hoodies or sweat bands. A coat may be worn to the visit, but not worn during the visit.
5. If, for any reason, the inmate or visitor departs the visiting area, the visit is terminated.

6. **Honor Visits** are a specialized privilege arranged by your housing unit counselor. Inmates must meet the following criteria to be eligible:
 - a. Inmate must have must have been incarcerated for at least twelve continuous months at Delores J. Baylor's Women Correctional Institution prior to scheduling the visit.
 - b. Inmates must have completed six months of full-time work activity, or have six months of applicable program participation prior to the scheduling of the Honor Visit. See facility Treatment Administrator or designee for approved programs.
 - c. Inmates will be disqualified for Honor Visitation as follows:

Once you are sentenced to any Level 4 program, your name will be added to the waiting list, and you will be transferred when a bed becomes available. Please be patient, as it could be a while before your transfer.

How long will it take for my telephone numbers to be entered into the system so that I can make calls?

Phone numbers will be entered by the next business day.

Is an ex-offender allowed to visit?

Approval for this visit needs to be granted by the Deputy Warden or designee. Various factors will be considered, including but not limited to, the date of conviction, nature of offense, current legal status, etc.

How long does it take for my sentence to be loaded?

Sentencing Orders are sent from the Court to our Central Records Office, where they are loaded as soon as possible. You will be sent a Status Sheet via in-house mail once your sentence has been loaded.

My cellmate gets on my nerves. Can I move to another cell?

No. Legitimate concerns should be brought to the attention of the Security Staff.

How do I talk with a White Shirt?

You must follow the Chain of Command as outlined in this Handbook.

NOTES

BWCI Grievance Protocol

The following is an explanation of the BWCI Grievance for a complete understanding of the processes for the inmate population. Secure grievance boxes are located throughout the facility to include on all units, the law library, and the main hallway.

The inmate grievance process serves as a method to report incidents of sexual abuse. When submitting grievances as a method of PREA reporting, the grievance shall have SA written at the top of the form for identification purposes. The grievance submitted shall be referred to the facility PREA Manager within 24 hours of receipt.

Copies of the Inmate Grievance Policy and its relevant forms shall be readily available to inmates in each facility. All inmates, regardless of physical condition, security, or administrative status shall be entitled to file a grievance. Inmate complaints regarding policies and conditions must be within DOC jurisdiction. This includes actions by employees, inmates, and incidents occurring within the facility that personally affect the Grievant. Policies that have their own formal appeal mechanisms are not grievable under the grievance policy and protocols. Specifically excluded are issues concerning inmate disciplinary sanctions (BOP Policy 4.2), classification (BOP Policy 3.3), and Parole Board decisions (BOP Policy 3.33 & 3.34). Inmates must address appeals on these issues as directions in each specific policy.

Inmates seeking appeal of court ordered sentencing, credit for time served, or other conflicts regarding sentencing order intent must address those issues directly with the sentencing judge. The IGC will return the grievance with guidance to write the appropriate Court or Central Offender Records.

Inmates and staff shall have access to periodic training on the grievance policy and protocols, as circumstances dictate, or at the discretion of the facility Warden. The grievance policy and protocols shall afford the Grievant a meaningful, understandable answer to the administrative remedy requested. Relief may include adjustment to an objectionable condition of confinement, institutional procedure or practice, or restitution. The grievance policy and protocols prohibits reprisals against inmates or staff for their use of or participation in the grievance process. If either participant experiences retaliatory acts, they may appeal directly to the facility Warden. The Warden shall respond in writing within 10 calendar days of receipt of the appeal. The Warden's decision is appealable to the Bureau Chief for final disposition.

No inmate or employee named as a party to the grievance shall participate in any capacity in the resolution process. This instruction includes contact for information gathering not just decision-making. Grievances filed against the IGC or appealing authority shall be reviewed by the next higher authority. All grievances shall be kept separate from the inmate's master file.

Neither staff nor inmates shall have access to records except to the extent necessary for clerical processing, grievance resolution, or compliance monitoring. The maximum period between initial grievance receipt and Bureau Chief final decision shall not exceed 180 calendar days.

Inmates are prohibited from submitting more than one grievance arising from the same incident. Such behavior will be interpreted by the IGC as willful abused of the administrative remedy process and subject to discipline. Inmates should only submit one issue per grievance form. Grievances can be returned unprocessed for vulgar/abusive or threatening language, expired filing period, if they are requests, and if they are inquiries on behalf of other inmates. If more than one inmate files a grievance on the same issue, the IGC will consolidate the staff investigation and RGC hearings into a single "group grievance." The IGC will notify all individuals involved and make note in all associated grievance response forms.

If a full RGC panel cannot be convened as scheduled, the Grievant may elect to have the grievance heard by those committee members assembled or have the hearing reschedules. The IGC shall provide a copy of the response to each process step to the Grievant within 7 calendar days of IGC receipt. The RGC shall be comprised of two inmates, elected by the majority vote from their own housing unit and two staff designated by the facility Warden. Designated staff should include custody and treatment staff, as well as, those who have frequent contact with the housing units. Each RGC member has one vote; the IGC shall only vote to break a tie. Two inmate and two alternate inmate RGC members shall serve for a term of six months; staff RGC members shall serve at the discretion of the facility Warden. One staff RGC member shall be from Security and one from Treatment. The RGC shall deliberate on its findings and forward its recommendation to the facility Warden. All investigative work must be completed and documented prior to the RGC hearing. Inmates may withdraw a grievance at any time during the process by providing the IGC written note. The IGC shall process and maintain the Grievant's handwritten documents and the DACS grievance case records in a timely manner, in order to expedite clearance of any unresolved case.

Remedies which are dependent on state agencies or departments outside of the DOC may require more time to coordinate their activities. The IGC shall monitor progress of outside DOC entity progress. All Bureau Chiefs share responsibility for revising the grievance policy as it pertains to their specific functions and missions. This includes policy distribution to staff and inmates.

NON-EMERGENCY GRIEVANCE RESOLUTION STEPS:

This procedure is subject to change at the discretion of the Warden 20

Step One (Informal Resolution)

The grievance process begins when an inmate manually completes Form #584 "Grievance Form." The Grievant must submit the completed form to the IGC within 7 calendar days of the incident.

The IGC shall collect all manual Grievance Forms deposited into a secure inmate drop-box, accessible only to the IGC or IGC designee. The IGC will data enter collected forms into an automated grievance tracking system. The IGC is the hub of the case tracking mechanism. This system will electronically forward grievances to the appropriate housing unit supervisor, area supervisor, or local SME staff within 7 calendar days of IGC receipt. In the event that the grievance filed related to the conduct of any supervisor, the case shall be electronically provided to that individual's immediate supervisor for review and investigation. Employees, who have received electronic notifications of a grievance, shall respond with the investigation outcomes, in the automated tracking system, within 14 calendar days of receipt. The IGC shall provide a copy of the "Step One" reply to the Grievant within 7 calendar day of receipt. The Grievant's acceptance of the "Step One" reply to the remedy requested constitutes an informal grievance resolution. The Grievant signs the Form #584 acceptance section, and returns the document to the IGC within 7 calendar days of receipt. Informal resolution ends the grievance process; the IGC electronically closes the case and monitors any resolution compliance issues. The Grievant's signed rejection of an informal resolution on Form #584, within 7 calendar days of receipt, moves the case into Step Two administration. The IGC updates the automated tracking system and electronically forwards the case to the RGC or SME Panel, in order to schedule a grievance hearing. The Grievant's failure to return a signed acceptance or rejection of an informal resolution will be interpreted as abandonment of the grievance. In such instances, the IGC will electronically close the case indication an "Abandonment" status code.

Step Two (RGC/SME Panel Recommendations & Warden's Decision)

The IGC shall provide written notification to the Grievant when a RGC or SME hearing will be held. This hearing notice shall be sent within 7 calendar days from IGC receipt of the rejected Form #584 informal resolution. The RGC or SME Panel shall convene within 30 calendar days to examine the issue grieved, document investigative data, hear testimony, and make a recommendation on the Grievant's remedy requested. The hearing panel shall ask any questions it feels relevant to the issue grieved. If the panel determines that further investigation is required to render a recommendation, the hearing may be postponed for an additional 14 calendar days, by majority panel vote and Grievant consent. The additional time option justification and Grievant's consent must be documented. Grievant's shall provide all available supporting evidence to the hearing panel for consideration. Evidence purposely withheld from the panel will not be eligible for insertion into the grievance case at a later date

and may result in a finding that the Grievant has abandoned the Step Two review. RGC and SME Panel hearing recommendations shall be electronically documented in the automated grievance tracking system and forwarded to the IGC. The IGC shall electronically forward the RGC/SME Panel recommendation to the facility Warden or appropriate Bureau-Level SME within 3 calendar days of receipt. The facility Warden or Bureau-Level SME shall make a decision within 14 calendar days of receipt. Decision options include directing additional investigation, uphold or deny the Grievant's remedy requested, or making a partial accommodation. Wardens and Bureau-Level SME staff shall electronically forward their decisions to the IGC within 14 calendar days of receipt. The IGC notifies the Grievant of the decision and supporting logic, within 7 calendar days of receipt. If the Grievant accepts the decision, the case shall be electronically closed by the IGC, and its status will indicate "resolved." The IGC shall monitor any resolution compliance issues. If the Grievant rejects the decision, a written "Grievance Appeal Form" shall be submitted to the IGC within 14 calendar days of the decision receipt. Failure to appeal within this timeframe shall be interpreted as abandonment of the grievance, and the Grievant's acceptance of the decision. Upon receipt of the completed "Grievance Appeal Form," the IGC shall enter the appeal into the automated grievance tracking system and electronically forward the case to the appropriate Bureau Grievance Officer (BGO), within 7 calendar days of receipt.

Step Three (Bureau Chief Decision & Case Resolution)

Within 7 calendar days following the receipt of the appealed case, the BGO shall make an electronic recommendation to the Bureau Chief. Recommendation options include directing additional investigation, uphold or deny the Grievant's remedy requested, making a partial accommodation, or Outside Review. The Bureau Chief shall accept or reject the BGO recommendation. The Bureau Chief shall decide the case, in the automated system, within 7 calendar days of receipt. If the Bureau Chief opts for an Outside Review, the resulting hearing shall occur within 7 calendar days of the Reviewer's receipt of the case materials. The Outside Reviewer shall issue a written recommendation with supporting logic, to the Bureau Chief, within 7 calendar days of the hearing. The Bureau Chief shall accept or reject the Outside Reviewer recommendation, in the automated system, within 7 calendar days of receipt. The Bureau Chief's decisions are final and not open to further Grievant debate. The Bureau Chief's electronic decision letter to the Grievant shall include a statement that the grievant has fully exhausted all available administrative remedies.

EMERGENCY GRIEVANCE RESOLUTION:

The IGC shall expedite and forward emergency grievances to the facility Warden or Bureau-Level SME; the Warden or Bureau-Level SME shall determine if the grievance qualifies as an emergency case under the policy definition. If the case qualifies, the Warden or Bureau-Level SME shall provide for a solution and respond in the automated system within 24 hours of

receipt. If the Grievant accepts the decision, the case shall be electronically closed by the IGC, and its status will indicate "resolved." The IGC shall monitor any resolution compliance issues. If the Grievant rejects the decision, a written "Grievance Appeal Form" shall be submitted to the IGC within 24 hours of decision receipt to be forwarded to the Bureau Chief. Failure to appeal within this timeframe shall be interpreted as abandonment of the grievance, and the Grievant's acceptance of the decision. The Bureau Chief shall make a decision on the emergency grievance appeal within 24 hours of receipt in the automated system. If the Warden or Bureau-Level SME determines that the case is not an emergency, the grievance is electronically returned to the IGC for regular case processing. The IGC shall notify the Grievant that the case is not an emergency, and proceed with regular processing.

MEDICAL GRIEVANCE RESOLUTION:

Grievant's shall submit manually completed Form #585 "Medical Grievance" to the IGC for electronic entry into the automated tracking system. The IGC is the hub of the case tracking mechanism and will only be responsible for facilitating the scheduling of grievance hearings at the institution level. Specific instructions and reply time periods for medical grievances are addressed in BCHS Policy A-11 "Grievance Mechanism" and are not part of the BOP non-medical grievance administration.
