MAINE CORRECTIONAL CENTER PRISONER HANDBOOK

The Prisoner Handbook provides information about the Department of Corrections and the operation of the facility. The Handbook will help you know what services are available and what your obligations are. You are responsible for familiarizing yourself with the contents of the Handbook.

You are subject by law to the authority of the Department of Corrections, even if you have not been sentenced. You must comply with the rules of the facility. Staff will enforce the rules.

If you respect the property of others and comply with the rules of the facility, and obey the orders of the staff, more opportunities for personal development will be open to you. The time you spend here can be productive, if you are determined to make it so.

UNIT MANAGEMENT

Maine Correctional Center is organized on a plan of Unit Management.

The Housing Unit Team, made up of a Housing Unit Officer, Case Worker, Correctional Care and Treatment Worker, Mental Health Clinician, Unit Sergeant, and a Unit Clerk, carries out direct supervision of the prisoners in each unit. The Housing Unit Team manages and coordinates all aspects of your daily activities while you are at the Maine Correctional Center.

You **MUST** contact the 1st level staff person, and allow enough time for a reply, before proceeding to contact the 2nd level staff person. Once a request for information has been received you will either be scheduled for an appointment or you may receive a written reply. Requests for information should be as specific as possible.

I. AUTHORITY

The Commissioner of Corrections adopts this policy pursuant to the authority contained in 34-A M.R.S.A. Sections 1402, 1403, and 3032.

II. APPLICABILITY

All Departmental Adult Facilities

III. POLICY

It is the policy of the Department of Corrections to designate prisoner disciplinary violations and dispositions for the purpose of maintaining the orderly management of correctional facilities, as well as safety and security. This policy also applies to prisoners of the Department who are outside a Departmental facility at the time of the violation. It is also the policy of the Department of Corrections to assure that, in all matters of prisoner discipline, procedures that are consistent with the constitutional and statutory rights of the individual prisoner shall be followed. Disciplinary action is not to be capricious or retaliatory in nature, and a fair and impartial disposition shall be made in each case. Each facility shall ensure that all prisoners are provided with the information outlined in this policy and procedures. This policy and procedures shall be reviewed annually and revised as necessary.

VI. PROCEDURES

Procedure A: Informal Resolution

1. Any facility staff that observes, receives a report of, or otherwise discovers prisoner conduct that is considered a violation of any rule shall dispose of such incident informally or formally.
2. To resolve a rule violation informally, the facility staff may propose to the prisoner to counsel, warn, verbally reprimand, assign extra work, require restitution if property was destroyed or damaged, or impose restrictions on privileges. Any extra work, restitution, or restrictions shall be:
 - a. In accordance with informal sanctions approved by the Commissioner;
 - b. Imposed by agreement between the prisoner and the staff who observed or discovered the behavior (or if observed or discovered by a person who is not facility staff, by agreement between the prisoner and the facility staff to whom the conduct was reported). The agreement shall be in writing, include the prisoner's waiver of his/her right to a formal hearing on the rule violation, and be signed by the prisoner, the facility staff, and the Shift Supervisor or Unit Manager. (see Attachment A, Informal Resolution of Rule Violation Agreement);
 - c. Imposed for no more than seven (7) days, which may be consecutive or intermittent (if extra work or restrictions); and
 - d. Documented by recording an entry in CORIS.
3. If the prisoner refuses the proposed informal resolution, then the staff shall complete and submit a disciplinary report in accordance with the formal resolution process.
4. Any proposed informal resolution of a rule violation that has been agreed to by a prisoner shall be reported immediately to a Shift Supervisor or Unit Manager for approval, modification, or disapproval. If the Shift Supervisor or Unit Manager

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 2 of 25 4/15/13R

does not approve the proposed informal resolution, he/she may: (1) modify the resolution, with the agreement of the prisoner, (2) direct the staff to proceed formally, or (3) direct the staff to drop the issue.

5. The Shift Supervisor, Unit Manager, or designee, shall ensure an approved informal resolution is satisfactorily completed and documented on the Informal Resolution Rule Violation Agreement and in CORIS.
6. A rule violation that is informally resolved does not constitute a disciplinary violation for the purpose of determining eligibility for a furlough pass or furlough leave or for participation in any other program. However, a prisoner counsel substitute receiving an informal resolution may not continue in that position.
7. The conduct leading to an informal resolution may be one factor used in considering whether to actually grant a furlough pass or furlough leave or approve participation in any other program.
8. If a prisoner does not abide by the informal resolution, the prisoner shall be charged with the original rule violation, as well as a disciplinary violation of Informal or Formal Resolution.

Procedure B: Formal Resolution

1. Any facility staff that observes, receives a report of, or otherwise discovers prisoner conduct that is considered a violation of any rule shall dispose of such incident informally or formally.
2. Any proposal to proceed with a formal resolution of a rule violation without first attempting an informal resolution shall be reported immediately to a Shift Supervisor or Unit Manager for approval or disapproval. If the Shift Supervisor or Unit Manager does not approve proceeding with a formal resolution, he/she may direct the staff to (1) attempt an informal resolution with the prisoner, or (2) drop the issue. If the Supervisor or Manager approves proceeding formally, the following procedures apply.
3. When facility staff considers a formal resolution of an alleged rule violation necessary for proper discipline and control, and the Shift Supervisor or Unit Manager agrees, or a prisoner refuses a proposed informal resolution, or a prisoner fails to abide by an agreed to informal resolution, the staff shall complete a Disciplinary Report (see Attachment B) and deliver it personally to a Shift Supervisor or Unit Manager prior to the end of the next day that the staff is working, unless that would be more than 72 hours, in which case the staff shall complete and deliver the report prior to going off duty. When the charge involves drug or alcohol testing, the request for test form, a printout, photocopy, or photograph of the test results, and the chain of custody form, if any, shall be

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 3 of 25 4/15/13R

attached to and become part of the disciplinary report. The timeframe for submission of the disciplinary report begins when the behavior is observed or discovered by facility staff. If a violation is observed or discovered by any person who is not facility staff and is reported to facility staff, the timeframe for submission of the disciplinary report begins after receipt of the report by facility staff.

4. The Shift Supervisor or Unit Manager receiving the disciplinary report shall review the report with the reporting facility staff without unnecessary delay to ensure that the report clearly sets forth the incident and the charge. If it does not, the Supervisor or Manager shall assist the reporting staff in writing the report more clearly. The Shift Supervisor or Unit Manager shall sign the report once approved.
5. A prisoner may not be segregated or otherwise restricted merely because of a pending discipline. However, as a separate matter, a prisoner who may pose a continuing threat may be placed on emergency observation status and otherwise restricted as provided in Policy 15.1, Administrative Segregation Status. This is not punishment and shall not be considered in determining the appropriate disposition for a disciplinary violation.
6. If the alleged violation might constitute Murder or a Class A, B, or C crime, the Chief Administrative Officer of the correctional facility shall refer the matter to the appropriate prosecutor. If the alleged violation might constitute any other crime, the Chief Administrative Officer of the correctional facility may refer the matter to the appropriate prosecutor. Even when a decision to refer for prosecution is made, the alleged violation may be processed as a disciplinary matter. The time frames for processing the alleged violation as a disciplinary matter may be suspended by the Chief Administrative Officer if processing the alleged violation as a disciplinary matter might compromise a criminal investigation or prosecution.
7. Once a disciplinary report has been reviewed and signed by the receiving Shift Supervisor or Unit Manager, that Supervisor or Manager shall forward the report to a security staff person for investigation.
8. The investigator shall be someone other than the receiving Shift Supervisor or Unit Manager and shall not be involved in either the incident or its write up. The investigator shall initiate an investigation into the alleged violation within twenty-four (24) hours and shall complete the investigation without unnecessary delay. The investigator shall read the disciplinary report to the prisoner and ask the prisoner if he/she wishes to make a statement. If the investigator cannot contact the prisoner due to the prisoner's unavailability (e.g., at court, in the hospital, or on escape), the contact shall take place as soon as possible after the prisoner becomes available. The prisoner shall notify the investigator of any known witnesses. The investigator shall forward the prisoner's statement, including the

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 4 of 25
		4/15/13R

names of any known witnesses, to a staff person designated by the facility Chief Administrative Officer to process disciplinary paperwork.

9. The facility Chief Administrative Officer shall designate facility staff to act as disciplinary hearing officers. No person may act as a disciplinary hearing officer unless he/she has been trained in this policy and procedures. The training shall be documented in the staff person's training file.
10. Only a designated disciplinary hearing officer, or the Chief Administrative Officer, or designee, may dismiss a disciplinary report and only if the facts as described in the disciplinary report do not constitute a violation, the timeframe for completing and submitting the disciplinary report was not adhered to, or there appears to have been a violation of the prisoner's statutory or constitutional rights. Before dismissing a report due to an apparent violation of the prisoner's rights, the disciplinary hearing officer or Chief Administrative Officer, or designee, shall consult with the Department's legal representative in the Attorney General's Office. Whenever a report is dismissed, the person making the decision to dismiss shall document the reason(s) for the dismissal in writing.
11. If the disciplinary report has not been dismissed, a staff person designated to process disciplinary paperwork shall provide to the prisoner without unnecessary delay a Letter of Notification of Disciplinary Hearing (see Attachment C); a list of counsel substitutes; and copies of the disciplinary report, other reports of the incident (unless confidential), any photographs relating to the incident (unless it would compromise safety or security), and the prisoner's statement, if any, to the investigator. Under no circumstances may a prisoner be provided a photograph of a victim, personal information relating to a victim (e.g., social security number, personal address, or phone number), an audio or video recording, or an actual exhibit.
12. The notification shall inform the prisoner of the name and class of the violation(s) charged, the name of the disciplinary hearing officer scheduled, and that, if he/she wishes to call witnesses at the hearing, he/she shall inform the disciplinary hearing officer of the witnesses he/she wishes to call within twenty-four (24) hours after he/she receives the notification.
13. The disciplinary hearing officer shall be someone other than the receiving Shift Supervisor or Unit Manager and shall not be involved in either the incident or its write up, but may be a person who merely processed the disciplinary paperwork. The fact that a person took some action outside the disciplinary process after the incident was over including, but not limited to, placing the prisoner on emergency observation status, does not disqualify the person from acting as the disciplinary hearing officer. A change in the scheduled disciplinary hearing officer does not require a new notification to the prisoner.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 5 of 25 4/15/13R

14. The notification shall also inform the prisoner that, if he/she wishes to be represented by counsel substitute, he/she shall inform the disciplinary hearing officer of the counsel substitute he/she has selected within twenty-four (24) hours after he/she receives the notification. It is the responsibility of the prisoner to secure counsel substitute and inform him/her of the date and time of the hearing. Facility staff shall facilitate communication between the prisoner and the counsel substitute he/she requests. If the date or time of the hearing is changed, the prisoner shall receive written notice of the change sufficiently in advance of the hearing to permit the attendance of his/her counsel substitute, if any.

15. A counsel substitute is a staff member of the Department of Corrections or a prisoner approved by the Chief Administrative Officer who voluntarily assists a prisoner in preparing and presenting his/her defense at a disciplinary hearing. If it is determined at any time during the disciplinary process that a prisoner is not capable of preparing and presenting his/her defense effectively on his or her own behalf, the disciplinary hearing officer shall assign a staff counsel substitute to assist the prisoner and shall continue the disciplinary hearing, if necessary, to permit the counsel substitute to effectively assist the prisoner. A prisoner may not be approved as a counsel substitute unless he/she has not been found guilty of a Class A or B disciplinary violation for six (6) months prior to approval. The prisoner must remain free of disciplinary violations, whether resulting in an informal or formal resolution. No person may act as counsel substitute unless he/she has been trained in this policy and procedures. Each facility shall have a minimum of one (1) facility staff member trained and available to act as a counsel substitute. The training shall be documented in the staff person's training file.

Procedure C: Disciplinary Hearing

1. The disciplinary hearing officer shall hold a hearing on the alleged violation without unnecessary delay, provided that the hearing may not be held sooner than twenty-four (24) hours after the prisoner receives the notification of the hearing, unless the prisoner waives, in writing, his/her right to the twenty-four (24) hour notice. The hearing shall be held no later than seven (7) days, excluding weekends and holidays, after the prisoner receives the notification of the hearing, unless it is continued for good cause shown. If a hearing cannot take place within the seven (7) days due to the prisoner's absence from the facility (e.g., court, hospital, escape), it shall be scheduled for as soon as practicable, but no later than seven (7) days, excluding weekends and holidays, after the prisoner's return to Departmental custody. The reason(s) for any delay or for any continuance shall be documented.

2. At any time prior to his/her hearing, the prisoner may waive, in writing, his/her right to a formal hearing. Such waiver may be made in connection with either a

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 6 of 25 4/15/13R

plea of guilty or a plea of no contest. The waiver shall be submitted to the disciplinary hearing officer, who shall review the case with the prisoner charged in order to recommend an appropriate disposition. By waiving his/her right to a formal hearing, the prisoner waives his/her right to appeal the finding of guilt. He/she does, however, maintain his/her right to appeal the recommended disposition.

3. Either before or during the hearing, the disciplinary hearing officer may continue the hearing for good cause shown, but in no case may the continuance be for more than thirty (30) additional days (see Attachment D, Notice of Continuation-Disciplinary Hearing). Requests to the disciplinary hearing officer for continuance made by the prisoner shall be in writing and shall be submitted to the disciplinary hearing officer prior to the hearing, unless the cause for the continuance arises during the hearing. Generally, hearings will not be continued to permit recreation, visits, programs, or other similar activities.
4. Either before or during the hearing, the disciplinary hearing officer may dismiss the disciplinary report if and only if one of the reasons set out in Procedure B. 10 exists.
5. The prisoner charged has a right to be present at the hearing, which right may be waived by the prisoner. He/she also has the right to be assisted at the hearing by a counsel substitute. The disciplinary hearing officer may, however, conduct the hearing in the absence of the prisoner charged or counsel substitute, if the prisoner or counsel substitute fails to appear for the hearing after he/she has been duly notified or if, immediately prior to or during the hearing, the prisoner's behavior or counsel substitute's behavior is inconsistent with the hearing process to the extent that the prisoner or counsel substitute must be excluded or removed from the hearing room. If a hearing is conducted without the prisoner or counsel substitute being present, the circumstances of the prisoner's or counsel substitute's absence shall be documented in the written summary.
6. At the opening of the hearing, the disciplinary report and charge(s) shall be read and fully explained to the prisoner by the disciplinary hearing officer. The prisoner shall enter a plea to the charge(s). The prisoner shall be given an opportunity to reply to the charge(s). The disciplinary hearing officer may ask the prisoner questions.
7. The disciplinary hearing officer may permit the prisoner, or his/her counsel substitute, to call one or more witnesses and to question any witness who testifies in person or by telephone at the hearing. The disciplinary hearing officer may require that the prisoner, or the counsel substitute, question any witness indirectly by relaying questions through the disciplinary hearing officer. Testimony from witnesses may be presented in writing with the permission of the disciplinary hearing officer. A prisoner shall not be given permission to have a

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 7 of 25 4/15/13R

witness from outside the correctional facility physically brought to the disciplinary hearing. However, testimony from an outside witness may be presented by telephone or in writing with the permission of the disciplinary hearing officer. The disciplinary hearing officer may call one or more witnesses and question any witness who testifies in person or by telephone at the hearing.

8. Permission to call or question a witness, including a witness testifying by telephone, shall not be unreasonably withheld or restricted. Whenever permission to call or question a witness is withheld or restricted, the disciplinary hearing officer shall document the reason(s) in the written summary. If a witness is to be permitted to testify, the disciplinary hearing officer shall take all reasonable steps to ensure the testimony of the witness is presented at the hearing. Whenever permission has been granted to call a witness and the witness does not testify, the disciplinary hearing officer shall document the reason(s) in the written summary.
9. The disciplinary hearing officer may permit the prisoner, or his/her counsel substitute, to present or examine exhibits. Permission to present or examine exhibits shall not be unreasonably withheld or restricted. The disciplinary hearing officer may present and examine exhibits.
10. Whenever permission to present or examine exhibits is withheld or restricted, the disciplinary hearing officer shall document the reason(s) in the written summary. When examination by a prisoner of an exhibit would compromise security or safety, the disciplinary hearing officer may permit the prisoner to examine a photograph of the exhibit or may permit an examination of the actual exhibit or a photograph of the exhibit by staff acting as counsel substitute. When a prisoner's listening to an audio recording or viewing a video recording of an incident would compromise security or safety, the disciplinary hearing officer may permit staff acting as counsel substitute to listen to or view the recording.
11. When confidential information is necessary to support a finding of guilt, a written summary of the confidential information that does not reveal the identity of the informant shall be presented at the hearing in the presence of the prisoner. The Shift Supervisor or Unit Manager who received the disciplinary report shall ensure that the written summary is provided to the disciplinary hearing officer prior to the hearing, and the disciplinary hearing officer shall ensure that the written summary is read to the prisoner or otherwise presented at the hearing and is made part of the record of the hearing.

The Shift Supervisor or Unit Manager who received the disciplinary report shall ensure that the identity of the informant, the detailed statement of the informant, and the reason(s) for relying on the informant or the information is provided to the disciplinary hearing officer prior to the hearing, and the disciplinary hearing officer shall ensure that this confidential information is not presented at the hearing or otherwise revealed to the prisoner who is the subject of the hearing, a

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 8 of 25 4/15/13R

prisoner acting as counsel substitute, or any other prisoner. This confidential information shall be retained in accordance with Department policy and procedure but shall not be made part of the disciplinary documentation accessible to the prisoner.

12. Upon completion of the hearing, the disciplinary hearing officer shall determine guilt or innocence for any charge not dismissed. The finding of guilt or innocence must rest solely upon evidence produced at the hearing, including, but not limited to, the disciplinary report, the prisoner's statement, if any, to the investigator, any exhibits, and the testimony of any witnesses. In the case of a charge for which possession is an element, and more than one prisoner exercises control over an area in which the item was found, a finding of possession by one or more prisoners may be based on a determination that there is some evidence that the prisoner or prisoners exercised control over the item. Otherwise, a finding of guilt must be based on a determination that it is more probable than not that the prisoner committed the violation. A positive drug or alcohol test result (confirmed by an independent test, if required by the Department's Drug and Alcohol Testing Policy) is sufficient to meet this standard for the disciplinary violations of Alcohol, Trafficking, Trafficking Marijuana, or Under the Influence or Taking of Substances, whichever is applicable. A prisoner may be found guilty of a lesser violation than the one charged, provided that the lesser violation is of the same nature as the violation charged. The disciplinary hearing officer shall recommend a disposition authorized for each violation of which the prisoner was found guilty. The disciplinary hearing officer shall separately specify the recommended disposition for each charge a prisoner is found guilty of.

13. In the case of a prisoner who has been found guilty and who has been identified as mentally ill or developmentally disabled, the disciplinary hearing officer shall consult with the appropriate mental health staff prior to determining the disposition.

14. The prisoner shall be advised of the decision and the basis for it and of the disposition recommended for each guilty finding. The disciplinary hearing officer shall prepare a written summary of the evidence presented, the decision, a statement of the reason(s) and evidence relied on for the decision and the recommended disposition for each guilty finding (see Attachment E, Disciplinary Hearing Summary). The summary shall also contain documentation of any consultation with mental health staff.

15. A copy of this summary shall be provided to the prisoner, as soon as possible following the conclusion of the hearing. This summary must be provided within twenty-four (24) hours of the conclusion of the hearing, unless the prisoner has less than forty-eight (48) hours until release, in which case, it must be provided

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 9 of 25 4/15/13R

immediately following the conclusion of the hearing. Upon request, a copy shall be provided to the reporting staff.

16. When the prisoner is provided the summary, the prisoner shall be advised by the disciplinary hearing officer that he/she may appeal the decision and recommended disposition within fifteen (15) days (or other timeframe for a prisoner who has less than fifteen (15) days until release) to the Chief Administrative Officer, or designee, of the facility where the disciplinary hearing was held. The disciplinary hearing officer shall ask the prisoner whether the prisoner wishes to waive the right to appeal.
17. If the prisoner signs the waiver or if a prisoner who does not sign the waiver does not submit a timely appeal, no appeal will be considered and the prisoner's Unit Manager shall ensure that the disposition(s) are imposed.
18. If the prisoner does not sign the waiver, an appeal (see Attachment F) may be submitted to the Chief Administrative Officer, or designee, within fifteen (15) days (or other timeframe for a prisoner who has less than fifteen (15) days until release) of the prisoner's receipt of the summary. If a timely appeal is submitted, the Chief Administrative Officer, or designee, shall review and consider the appeal, the decision, and the recommended disposition. The timeliness of the appeal is determined by the date and time it is received by the Chief Administrative Officer, or designee.
19. Prisoners shall have the right to appeal the disciplinary decision and the recommended disposition made by the disciplinary hearing officer.
 - a. For prisoners who have at least fifteen (15) days until release, then, within fifteen (15) days from the prisoner's receipt of the summary of the disciplinary hearing officer's decision and recommended disposition, a prisoner found guilty may submit to the Chief Administrative Officer, or designee, an appeal, with reasons therefore, prepared by the prisoner or counsel substitute on a form provided to the prisoner by the disciplinary hearing officer.
 - b. For prisoners who have less than fifteen (15) days until release, no later than one (1) hour prior to release, a prisoner found guilty may submit to the Chief Administrative Officer, or designee, an appeal, with reasons therefore, prepared by the prisoner or counsel substitute on a form provided to the prisoner by the disciplinary hearing officer.
20. The Chief Administrative Officer, or designee, may affirm, modify, or reverse the decision and/or recommended disposition(s) of the disciplinary hearing officer, dismiss the disciplinary report if and only if one of the reasons set out in Procedure B. 10 exists, or remand the matter to the disciplinary hearing officer

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
20.1 Prisoner Discipline	20. Prisoner Discipline	Page 10 of 25 4/15/13R

for a new hearing or to the Shift Supervisor or Unit Manager who received the disciplinary report for an attempt at an informal resolution. The Chief Administrative Officer, or designee, may not reverse a decision or remand a matter unless the prisoner has been found guilty of a disciplinary charge and may not increase the severity of the disposition recommended by the disciplinary hearing officer.

21. The prisoner shall be notified in writing as to the decision on the appeal of his/her case by the Chief Administrative Officer, or designee (see Attachment F). The disposition(s) may not be imposed prior to the review, which must be completed within thirty (30) days of receipt of the appeal.
22. Any written waiver signed by a prisoner as part of the disciplinary process is final and may not be withdrawn.
23. Designated staff shall complete and maintain appropriate documentation for every disciplinary case in which a prisoner is found guilty. (see Attachment G, Disciplinary Report Information, Attachment H, Disciplinary Segregation Report to Commissioner and Attachment I, Disciplinary Chronology)
24. If, at any time during the disciplinary process, the prisoner is found not guilty or the disciplinary report is dismissed, the disciplinary report and any other disciplinary documents shall be forwarded to the Chief Administrative Officer, or designee, who shall examine the documents and then destroy them. In a case in which a prisoner is found guilty of some, but not all charges, the parts of the disciplinary documents listing the charges for which the prisoner was found not guilty or which were dismissed shall be blacked out after review by the Chief Administrative Officer, or designee. Documents, other than disciplinary documents, which describe the incident, such as emergency observation documents, log book entries, etc., shall not be destroyed, or blacked out.
25. The Chief Administrative Officer, or designee, may at any time modify a disposition of disciplinary segregation time to a disposition of disciplinary restriction time of the same number of days.
26. The Chief Administrative Officer, or designee, may at any time suspend some or all of any disciplinary disposition that the prisoner has accumulated if the prisoner has demonstrated an extended period of good behavior. The suspension may be revoked in whole or in part by the Chief Administrative Officer, or designee, if the prisoner is found guilty of having committed a new violation at any time.
27. After consultation with appropriate medical or mental health staff, the Chief Administrative Officer, or designee, may at any time suspend some or all disciplinary segregation time or disciplinary restriction time that a prisoner has accumulated to the extent necessary to address medical or mental health needs.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

After consultation with appropriate medical or mental health staff, the suspension may be revoked in whole or in part by the Chief Administrative Officer, or designee, if the prisoner's medical or mental health condition allows.

28. The Chief Administrative Officer, or designee, shall review all disciplinary hearings and dispositions to assure conformity with Departmental Policy.

Procedure D: Classes of Violations and Dispositions

1. The purpose of this section is to define and grade violations in order to limit official discretion and to give fair warning to the prisoner of what conduct is prohibited and what the possible consequences of disciplinary violations are. It is also the purpose of this section to prescribe punishments that are proportionate to the seriousness of the violation.
2. Disciplinary segregation is confinement in a cell, room or other living space assigned to a prisoner on disciplinary segregation status. A prisoner on disciplinary segregation status shall be treated in accordance with Departmental Policy 15.2, Disciplinary Segregation. Disciplinary restriction is confinement to the prisoner's own cell, room, or other living space. Privileges, including work, programming, and recreation, are suspended, unless specified otherwise. Prisoners on disciplinary restriction shall not be allowed any electronic entertainment equipment or musical instruments.
3. Violations are divided into four (4) categories: A, B, C, and D, with A being the most serious violation. A prisoner found guilty of more than one (1) charge may receive concurrent or consecutive dispositions. Dispositions received for new violations are consecutive to any dispositions received for prior violations and not yet completed.
4. If a prisoner commits another violation within one hundred and twenty (120) days of committing a previous violation of the same class or a higher class, the prisoner may receive a disposition for a "multiple violation" of the class of the more recent violation and receive a disposition allowed for the next higher class of violation, e.g., a Class "C" violation may be disposed of as a Class "B" violation upon a finding of guilt if the prisoner committed a Class "C" or higher class violation within the 120 days prior to the commission of the new violation.
5. In any case, the disciplinary hearing officer may recommend the imposition of a punishment and the suspension of all or some of its execution. The Chief Administrative Officer, or designee, may accept or reject the recommendation. If the prisoner commits another violation within ninety (90) days from the date of suspension of the punishment by the Chief Administrative Officer, or designee, the suspension may be revoked in whole or in part by the Chief Administrative Officer, or designee, upon a finding of guilt of the new violation.

Procedure F: Classification Review

1. Conduct constituting a disciplinary violation may result in changing a prisoner's custody level, housing status, and/or programs, or the taking of any other action based on a determination that such action is in the interest of the prisoner, in the interest of the prisoner population, or in the interest of safety, security, or orderly management of the facility, regardless of whether the disciplinary process is initiated and, if initiated, regardless of whether the conduct leads to an informal resolution or formal resolution of the violation. A dismissal or a finding of not guilty does not preclude taking any such action. Such action is not in the nature of punishment.

VII. PROFESSIONAL STANDARDS

ACA:

ACI – 4-4226 Written rules of inmate conduct specify acts prohibited within the institution and penalties that can be imposed for various degrees of violation.

ACI – 4-4227 There is a written set of disciplinary procedures governing inmate rule violations.

ACI – 4-4228 A rulebook that contains all chargeable offenses, ranges of penalties, and disciplinary procedures is given to each inmate and staff member and is translated into those languages spoken by significant numbers of inmates. Signed acknowledgement of receipt of the rulebook is maintained in the

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

inmate's file. When a literacy or language problem prevents an inmate from understanding the rulebook, a staff member or translator assists the inmate in understanding the rules.

- ACI – 4-4229 All personnel who work with inmates receive sufficient training so that they are thoroughly familiar with the rules of inmate conduct, the rationale for the rules, and the sanctions available.
- ACI – 4-4230 There are written guidelines for resolving minor inmate infractions, which include a written statement of the rule violated and a hearing and decision within seven days, excluding weekends and holidays, by a person not involved in the rule violation; inmates may waive their appearance at the hearing.
- ACI – 4-4231 Written policy, procedure, and practice provide that, where an inmate allegedly commits an act covered by criminal law, the case is referred to appropriate court or law enforcement officials for consideration for prosecution.
- ACI – 4-4232 Written policy, procedure, and practice provide that when rule violations require formal resolution, staff members prepare a disciplinary report and forward it to the designated Supervisor.
- ACI – 4-4233 Disciplinary reports prepared by staff members include, but are not limited to, the following information:
- specific rule(s) violated
 - a formal statement of the charge
 - any unusual inmate behavior
 - any staff witnesses
 - any physical evidence and its disposition
 - any immediate action taken, including the use of force
 - reporting staff member's signature and date and time of report
- ACI – 4-4234 Written policy, procedure, and practice specify that, when an alleged rule violation is reported, an appropriate investigation is begun within 24 hours of the time the violation is reported and completed without reasonable delay, unless there are exceptional circumstances for delaying the investigation.
- ACI – 4-4235 Within the disciplinary procedures document there is a provision for prehearing detention of inmates who are charged with a rule violation. The inmate's pre-hearing status is reviewed by the warden/superintendent or designee within 72 hours, including weekends and holidays.
- ACI – 4-4236 Written policy, procedure, and practice provide that an inmate charged with a rule violation receives a written statement of the charge(s), including a description of the incident and specific rules violated. The inmate is given the statement at the same time that the disciplinary report is filed with the disciplinary committee but no less than 24 hours prior to the disciplinary hearing. The hearing may be held within 24 hours with the inmate's written consent.
- ACI – 4-4237 Written policy, procedure, and practice provide that an inmate may waive the right to a hearing provided that the waiver is documented and reviewed by the chief executive officer or designee.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

- ACI – 4-4238** Written policy, procedure, and practice provide that inmates charged with rule violations are scheduled for a hearing as soon as practicable but no later than seven days, excluding weekends and holidays, after being charged with a violation. - ACI – 4-4242** Written policy, procedure, and practice provide that inmates have an opportunity to make a statement and present documentary evidence at the hearing and can request witnesses on their behalf; the reasons for denying such a request are stated in writing.
- ACI – 4-4243** Written policy, procedure, and practice provide that a staff member or agency representative assists inmates at disciplinary hearings if requested. A representative is appointed when it is apparent that an inmate is not capable of collecting and presenting evidence effectively on his or her own behalf.
- ACI – 4-4244** Written policy, procedure, and practice provide that the disciplinary committee's decision is based solely on information obtained in the hearing process, including staff reports, the statements of the inmate charged, and evidence derived from witnesses and documents.
- ACI – 4-4245** Written policy, procedure, and practice provide that a written record is made of the decision and the supporting reasons, and that a copy is given to the inmate. The hearing record and supporting documents are kept in the inmate's file and in the disciplinary committee's records.

Continuous confinement for more than 30 days requires the review and approval of the warden/superintendent or designee. Inmates held in disciplinary detention for periods exceeding 60 days are provided the same program services and privileges as inmates in administrative segregation and protective custody.
- ACI – 4-4399** There is consultation between the facility and program administrator (or a designee) and the responsible health care practitioner (or designee) prior to taking any action regarding chronically ill, physically disabled, geriatric, seriously mentally ill, or developmentally disabled offenders in the following areas:

Procedure A: Allowable Property, General

1. Each prisoner shall receive a copy of this policy and the appropriate Prisoner Allowable Property List (Attachment A) during the prisoner's initial orientation at a Department of Corrections facility.
2. Each facility shall allow property to prisoners as described on the Prisoner Allowable Property List, except as otherwise provided in this policy or other applicable Departmental policies. No items additional to those on this list shall be allowed to prisoners, except for those prisoners at minimum or community security facilities, or as otherwise specified in this policy. Items on the list shall not be determined non-allowable or otherwise restricted, except for those prisoners on administrative segregation status, disciplinary segregation status, or reception status, or as otherwise specified in this policy.
3. At minimum or community facilities, prisoners shall be allowed to purchase personal clothing items in styles and colors other than those allowed at facilities with a higher security level, but must remain within the maximum quantities of each item, as set out on the allowable property list. All personal clothing items must be purchased through facility canteen services or purchased through special order or other arrangements made by the facility. These items are not transferable to Department of Corrections facilities with a higher security level and, in the event of such a transfer, shall be disposed of by the prisoner as set out in Procedure F.
4. At minimum or community facilities, the Chief Administrative Officer, or designee, shall establish facility specific written practices regarding state issued or personal work-related clothing, footwear, tools or other work-related items, e.g., lunch coolers for work crews. All personal work-related clothing or footwear items must be purchased through the facility canteen services or purchased through special order or other arrangements made by the facility. Prisoners on reception status shall only be allowed property items in accordance with facility-specific written practices for prisoners on that status. Personal property items generally

allowed prisoners under this policy, but not allowed to a prisoner under this procedure, shall be stored at the facility until allowed to the prisoner, except for food/drink items and property considered non-allowable or contraband as outlined in this policy. Food/drink items shall be immediately disposed of by the facility and non-allowable or contraband personal property items shall be handled as set out in Procedure F.

6. Any item not allowed under this policy shall be considered non-allowable property. If possession of the item is prohibited under state or federal law or under Department Policy 20.1, Prisoner Discipline, it shall be considered contraband for purposes of this policy.
7. Each facility shall provide prisoners with written information as to those items available for purchase through the facility canteen services or through special order arrangements made by the facility and approved by the Commissioner, or designee.
8. All allowable property must be acquired as set out on the Prisoner Allowable Property List. No means of acquiring property other than those specified are permissible.

When returning from the furlough pass/furlough leave or a community transition program, the prisoner may bring back to the facility only those items taken out by the prisoner.
15. Prisoners are responsible to secure all property allowed to them utilizing storage containers and locking devices issued by the state. In addition, prisoners shall:

- a. Maintain copies of all Prisoner Property Inventory forms (Attachment B) provided by staff to document proof of issuance of state property and ownership of personal property and shall show these forms upon request of any staff. If a prisoner fails to show proof of issuance of state property or proof of ownership of personal property, said property shall be considered contraband, unless the facility has conclusive documentation;
 - b. Ensure that property is used only for its intended use and as authorized in this policy;
 - c. Ensure that no property is used to manufacture contraband or conceal non-allowable items or contraband;
 - d. Ensure that no property is altered or tampered with in any manner; and
 - e. Not dispose of any inventoried property without the approval of the facility property officer.
16. Prisoner property is subject to search at any time for any reason without the consent of the prisoner.
17. All allowable prisoner personal property, with the exception of open food/drink items and opened hygiene items, are transferable between all Departmental facilities. State issued items, with the exception of state issued clothing, footwear, and work-related items allowed at the receiving facility, are not transferable. Unopened hygiene items are transferrable when a prisoner is transferred to an equal or lesser security level facility only. The receiving facility shall inventory items received and remove any non-allowable or contraband items. Any non-allowable or contraband personal property items shall be handled as set out in Procedure F. Unless the item is secured as evidence for a disciplinary or court proceeding, any reusable non-allowable or contraband state issued items shall be returned to the sending facility and any non-allowable or contraband state issued items that are not reusable shall be disposed of by the receiving facility.
18. All allowable property shall be stored at all times within state issued storage containers, with the exception of state issued linens, items currently being worn or used by the prisoner, items allowed to be displayed in the prisoner's room, and items that do not fit within the issued storage containers. Letters and legal documents shall be limited to a maximum of one (1) letter size accordion folder for personal documents and two (2) legal size accordion folders for legal documents. A prisoner may request extra storage outside of the prisoner's room for legal documents pertaining to current or anticipated legal proceedings.
19. A property item shall be considered non-allowable property or contraband if it:
- a. Does not meet the description of an item on the Allowable Property List;

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

 - d. Was acquired in a way that constitutes a violation of Policy 20.1, Prisoner Discipline;
 - e. Has been used for other than its intended use and as authorized in this policy;
 - f. Has been altered, tampered with, used to manufacture contraband, or used to conceal non-allowable property or contraband;
 - g. Exceeds the maximum quantity allowed; or
 - h. As otherwise specified in this policy.
20. Unless an item is secured as evidence for a disciplinary or court proceeding, any reusable non-allowable or contraband state issued items shall be returned to facility inventory and any non-allowable or contraband state issued items that are not reusable shall be disposed of by the facility.
21. A property item considered non-allowable or contraband shall be confiscated immediately and handled as set out in Procedure F.
22. Otherwise allowable personal property shall not be allowed to a prisoner if, upon the item's receipt at the facility, a search that is necessary to maintain safety or security causes damage to the item.
23. Prisoners are responsible to report immediately any missing state issued property to the property officer, or other staff designated by the Chief Administrative Officer. A prisoner may be held accountable for missing state issued property.
24. Prisoners are responsible to report immediately any missing personal property to the property officer or other staff designated by the Chief Administrative Officer. Personal property shall be considered contraband if the property appears to belong to a person other than the prisoner in whose possession it is found or if it is unclear to whom it belongs, as determined by the Chief Administrative Officer, or designee. Unless the property is secured as evidence for a disciplinary or court proceeding or the property is able to be returned to its rightful owner, the property shall be disposed of by the facility.
25. Prisoners may display allowable religious items in their rooms in a way that does not interfere with safety or security. If permitted by the Chief Administrative Officer,

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

or designee, prisoners housed at minimum or community security facilities may display other allowable personal property items in their rooms. Rules regarding those items permitted for display shall be established in writing and available to all prisoners and staff. These requirements shall be reviewed at least annually and revised as necessary.

26. A committee, comprised of Department staff appointed by the Commissioner, shall meet at least semi-annually to review the facilities' compliance with this policy, review any requests for revisions to the Prisoner Allowable Property List, and make recommendations to the Commissioner regarding revision(s). The Chief Administrative Officer, via the facility's committee representative, shall submit facility requests for revision to the Prisoner Allowable Property List.

Procedure B: Medical Items

1. Medical items provided by the facility's health care department, purchased through special order arrangements made by the facility, or purchased through facility canteen services are allowable property.
2. If an item creates a safety or security concern, designated supervisory staff shall consult with designated health care staff in order to determine how to meet the medical needs of the prisoner without creating an undue risk to safety or security, including, but not limited to, modifying the item, restricting the prisoner, or providing an alternative item.

Procedure C: Religious Items

1. Religious items that are permitted by and acquired in accordance with Department Policy 24.3, Religious Services, are allowable property.

Procedure D: Extra Allowable Personal Property

1. Allowable musical instruments (guitar {including effects pedal} and harmonica) and game systems (Play Station 2 {including games and controllers}) are extra allowable property. Unless more than one of these items is already in the possession of a prisoner as of the latest revision date of this policy, a prisoner shall be allowed to purchase and possess only one (1) of these items at a time.
2. Any finding of guilt for a class A or B disciplinary violation shall result in the extra allowable property being considered non-allowable and being handled as set out in Procedure F.
3. The prisoner may request permission from the Chief Administrative Officer to purchase a replacement ninety (90) days after a finding of guilt and completion of imposed disciplinary sanctions only if the prisoner has not been found guilty of any other disciplinary violation of any class since the finding of guilt and has no

disciplinary matter pending. If the request is approved, the prisoner may only purchase and possess one (1) extra allowable property item (and its allowed accessories) at a time.

Procedure E: Record Keeping

1. At intake or transfer, an accurate accounting shall be completed of all state issued property, all allowable personal property with a value of \$100.00 or more, and non-allowable and contraband property brought with each prisoner received at a Departmental correctional facility. Staff shall use the Prisoner Property Inventory form (Attachment B), Prisoner Acknowledgement of Receipt of Property form (Attachment C), Disposition of Property by Facility Form (Attachment D), and Disposition of Property by Prisoner Form (Attachment E), and the prisoner property form in CORIS, as applicable. The staff completing the form(s) and the prisoner shall sign the form(s) and the prisoner shall be given a copy of the form(s).
2. After intake or transfer, any item received at the facility and allowed to a prisoner, other than canteen items, photographs, correspondence and items sent with correspondence, legal materials, and newspapers and magazines, shall be accounted for using the Prisoner Acknowledgement of Receipt of Property form, and the prisoner property form in CORIS, as applicable. The staff completing the form(s) and the prisoner shall sign the form(s) and the prisoner shall be given a copy of the form(s).
3. Any item sent out from the facility by a prisoner shall be noted on the Disposition of Property by Prisoner form, and removed from the prisoner property form in CORIS, as applicable. All items otherwise disposed of shall be noted on the Disposition of Property by Facility form, and removed from the prisoner property form in CORIS, as applicable. The staff completing the form(s) and the prisoner shall sign the form(s) and the prisoner shall be given a copy of the form(s).
4. Any time the property in a prisoner’s possession is physically inventoried, the Prisoner Property Inventory form shall be completed, signed, and dated by the staff conducting the inventory. A physical inventory of all property shall be done whenever a prisoner is to be transferred to another facility, is placed on administrative segregation status or disciplinary segregation status, the prisoner’s property is placed in storage, a prisoner’s room is searched, or the prisoner is released. If any non-allowable or contraband property is found, it shall be accounted for using the Disposition of Property by Facility Form and Disposition of Property by Prisoner Form, and the prisoner property form in CORIS, as applicable. The staff completing the form(s) and the prisoner shall sign the form(s) and the prisoner shall be given a copy of the form(s).
5. If a physical inventory has not been conducted for a reason outlined above within the previous quarterly period, the Personal Property Inventory form, and the

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

prisoner property form in CORIS, as applicable, shall be updated using the Prisoner Acknowledgement of Receipt of Property forms, Disposition of Property by Facility Forms, and Disposition of Property by Prisoner Forms. The staff completing the form and the prisoner shall sign the form(s) and the prisoner shall be given a copy of the form(s).

6. Any prisoner property to be stored for any reason shall be placed in secure storage at the facility prior to the end of the shift. A copy of the appropriate form(s) shall be affixed to or placed in the bag with the property. When a prisoner receives property from storage, it shall be accounted for using the Prisoner Property Inventory form and the prisoner property form in CORIS, as applicable. The staff completing the form and the prisoner shall sign the form and the prisoner shall be given a copy of the form.
7. Prisoners receiving property shall examine each item and note any problems at the time of signing for its receipt.
8. All forms related to prisoner property shall be maintained by the facility property officer.

Procedure F: Other Provisions

1. The Chief Administrative Officer, or designee, shall ensure that provisions are made for the secure storing of prisoner personal property being stored by facility staff. The Chief Administrative Officer, or designee, shall also ensure that each prisoner is provided the means for secure storing of allowable property in the possession of the prisoner.
2. Although prisoners are allowed personal property at their own risk, a prisoner may make a claim for replacement/reimbursement of any item(s) lost or damaged due to the fault of staff. The prisoner shall be required at the time of the claim to provide proof of purchase and ownership. If it is determined that staff were at fault, the value of the item(s) shall be depreciated, depending on the date of purchase and the condition of the item(s), if known by staff. All claims shall be reviewed on a case-by-case basis and replacement/reimbursement decisions shall be made by the Chief Administrative Officer, or designee. The maximum allowable amount for replacement/reimbursement for a single item is \$100.00, with the exception of a guitar (acoustic or electric), which may be valued above \$100.00 and with a cap of \$300.
3. Unless an item is secured as evidence for a disciplinary or court proceeding, non-allowable or contraband prisoner personal property without substantial monetary value (e.g., stickers, paper clips, etc.) shall be disposed of by staff.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
10.1 Prisoner Allowable Property	10. Prisoner Property	Page 8 of 10 6/10/13R

4. Unless an item is secured as evidence for a disciplinary or court proceeding, non-allowable, non-transferable, or contraband personal property that would create a risk to safety or security if handled or stored (e.g., food/drink item(s), broken item(s) with sharp edges, etc.) shall be disposed of by staff. Prior to its disposal, staff shall take a photo of any nonfood/drink item that, in its original state, had substantial monetary value and of any item that is evidence for a disciplinary proceeding but is disposed of because it cannot be safely handled or stored pending the proceeding.
5. Unless an item is secured as evidence for a disciplinary or court proceeding, personal property that is contraband because its possession is prohibited by federal or state law (e.g., alcohol, illegal drug(s), weapon(s), escape tool(s), etc.) shall be turned over to the facility Correctional Investigative Officer, or other designated staff for disposal.
6. Except for an item disposed of by staff as set out above, allowable personal property that is non-transferable must be disposed of by the prisoner within thirty (30) days of when the prisoner is notified of the transfer or, if the prisoner has not been notified, within thirty (30) days of when the transfer has taken place. The Disposition of Property by Prisoner Form shall be completed for all such property. During the thirty (30) days, the property shall be stored at the transferring facility (unless the prisoner requests it to be stored during those 30 days at the receiving facility and both facilities agree).
7. Except for an item disposed of by staff as set out above, non-allowable personal property that is not contraband must be disposed of by the prisoner within thirty (30) days of when the prisoner is notified that it is not allowable. The Disposition of Property by Prisoner form shall be completed for all such property.
8. Unless an item is secured as evidence for a disciplinary or court proceeding and except for an item disposed of by the staff or returned to its rightful owner as set out above, contraband property must be disposed of by the prisoner within thirty (30) days of when the prisoner is notified it is contraband. The Disposition of Property by Prisoner Form shall be completed for all such property.
9. If contraband personal property is secured as evidence for a disciplinary or court proceeding, it shall be handled as follows:
 - a. If the item is used as evidence in a court proceeding, its final disposition shall be determined by the prosecuting attorney or the Department's legal representative in the Attorney General's office.
 - b. If the item is used as evidence only in a disciplinary proceeding, it shall be disposed of by designated staff after notifying the prisoner using a Disposition of Property by Facility form. A photo shall be taken of the item prior to its disposal and the photo shall be retained in the disciplinary record.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

- c. If the item planned for use as evidence in any proceeding is not used, but it is clear it is contraband, it shall be disposed of by designated staff after notifying the prisoner using a Disposition of Property by Facility form. A photo shall be taken of the item prior to its disposal.

	Approved by Commissioner: 	See Section VII

I. AUTHORITY:

The Commissioner of Corrections adopts this policy pursuant to 34-A M.R.S.A. Section 1402(5).

II. APPLICABILITY:

All Adult Correctional Facilities

III. POLICY:

The purpose of this policy is to establish a grievance process for reviewing and resolving complaints of prisoners, other than complaints concerning matters for which there is a separate grievance process or separate appeal procedures. It is anticipated that prior to filing a lawsuit, a prisoner of the Department of Corrections will attempt to resolve his or her complaint by using the grievance process. The grievance procedure is evaluated at least annually to determine its efficiency and effectiveness.

VI. PROCEDURES:

Procedure A: Prisoner Grievance Process, General

1. The Chief Administrative Officer of each adult correctional facility shall designate a Grievance Review Officer and another staff person to be acting Grievance Review Officer in his/her absence. The Chief Administrative Officer shall designate supervisors responsible to attempt informal resolutions with prisoners for subjects within their jurisdiction and shall ensure that the list of those designated is distributed to all prisoners.
2. During the orientation process for each prisoner admitted or transferred to an adult correctional facility, a copy of this policy and procedures shall be provided and the grievance process and how to obtain assistance with the process shall be explained.
3. It is the responsibility of the Correctional Caseworker or Correctional Care and Treatment Worker assigned to a prisoner who needs assistance with the grievance process to provide assistance in a timely manner, including, but not limited to, as appropriate, a sign language interpreter, foreign language interpreter, reasonable accommodation for a prisoner with a physical or mental disability, assistance to an illiterate prisoner, and assistance to a prisoner whose access to paper and/or writing materials has been restricted for safety or security reasons. A prisoner may also be assisted in the grievance process by another staff member on a voluntary basis or by any other person with whom the prisoner is permitted to have contact, provided that in all cases the grievance form and any grievance appeal forms are filed by the prisoner.
4. A prisoner may file a grievance with the appropriate facility Grievance Review Officer to request administrative review of any policy, procedure, practice, condition of confinement, sentence calculation (including, but not limited to, an issue with credit for detention time or awarding of deductions or good time), action, decision, or event that directly affects the prisoner, that the prisoner believes is in violation of his/her rights or is in violation of Departmental policies and procedures, and for which the prisoner believes a Departmental employee or contractor is responsible. A prisoner may not file a grievance regarding the following subjects, since there exists separate appeal procedures for these matters:

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 2 of 11 08/15/12 R

- a. Classification procedures and decisions including, but not limited to, a decision to place a prisoner on administrative segregation or protective custody status or a decision about custody level, a work assignment, participation in an institutional or community-based program, or transfer;
 - b. Disciplinary procedures and decisions, including, but not limited to, a decision to withdraw deductions or good time;
 - c. Furlough pass/furlough leave procedures and decisions; and
 - d. Out of state transfer procedures and decisions, including, but not limited to, a decision to transfer a prisoner out of state or a decision not to return a prisoner from out of state.
5. A prisoner may not file a grievance under this policy regarding medical care or mental health care, since there exists a separate grievance process for these subjects (Policy 29.2, Prisoner Grievance Process, Medical and Mental Health Care). A prisoner may not file a grievance under this policy regarding community corrections matters, since there exists a separate grievance process for those (available by request from the facility library). A prisoner may not file a grievance under this policy alleging sexual misconduct, since there exists a separate grievance process for this subject. (Policy 6.11, Sexual Misconduct, PREA and Maine Statutes).
 6. The Chief Administrative Officer, or designee, of each adult correctional facility shall ensure that prisoner grievance forms (Attachment A) are readily available to all prisoners. A prisoner may use only this form to submit a grievance. Any attempt by a prisoner to submit a grievance by a letter or in any other way shall not be accepted.
 7. A prisoner shall be allowed to submit a grievance form or a grievance appeal form in an envelope sealed by the prisoner and addressed to the appropriate Grievance Review Officer. Any attempt by a prisoner to submit a grievance or a grievance appeal to anyone other than the appropriate Grievance Review Officer shall not be accepted. The Chief Administrative Officer, or designee, shall provide a grievance mailbox or other means for prisoners to submit grievance forms and grievance appeal forms to the facility Grievance Review Officer. A prisoner who has a grievance about a matter that occurred at a Departmental facility that he or she was previously housed in shall be allowed to submit a grievance form or grievance appeal form to that facility's Grievance Review Officer by mailing it through the U.S. Mail. If the prisoner wishes to have it treated as privileged mail, he or she may do so by marking it as such on the outside of the envelope.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER

8. A prisoner housed at one Departmental facility who has a grievance about a matter that occurred at another Departmental facility shall direct the grievance form to the Grievance Review Officer at the facility where the matter occurred.
9. A prisoner housed in a jail or in another jurisdiction's facility who has a grievance about a matter that occurred while housed at a Departmental facility shall request a grievance form from the Grievance Review Officer at the Departmental facility where the prisoner was previously housed and shall submit the grievance form to that Grievance Review Officer. A prisoner housed in a jail or another jurisdiction's facility who has a grievance about the provision of access to legal materials or a sentence calculation while housed in the jail or other jurisdiction's facility but for which a Departmental employee is responsible shall mail the grievance form to the Grievance Review Officer at the Departmental facility where the responsible Departmental employee works. A prisoner housed in a jail or another jurisdiction's facility who has a grievance about any other matter shall use that facility's grievance process.
10. If a prisoner's grievance concerns a policy, procedure, practice, or condition of confinement, the grievance form must be filed within fifteen (15) days of when the policy, procedure, practice, or condition of confinement first affected the prisoner. If the grievance concerns a sentence calculation, the grievance form must be filed within fifteen (15) days of when the prisoner was sent the quarterly progress report that first showed the allegedly erroneous sentence calculation. If the grievance concerns an action or decision that is ongoing, the grievance form must be filed within fifteen (15) days of when the action first occurred or the decision was first made. If the grievance concerns any other action, decision, or event, the grievance form must be filed within fifteen (15) days of when the action, decision, or event occurred. In any case in which a grievance implicates more than one of the above, the grievance form must be filed within the shortest of the above time limits.
11. The Chief Administrative Officer, or designee, shall ensure that grievance forms and grievance appeal forms are collected and date stamped at least once every business day. A grievance form or grievance appeal form is considered filed on the day it is collected and date stamped. The Grievance Review Officer shall grant an exception to the time limit for filing if and only if the prisoner makes a clear showing that it was not possible for the prisoner to file the form within the fifteen (15) day period. The fact that a prisoner was seeking assistance, gathering information, or conducting research shall not be grounds for an exception to the time limit for filing a grievance form or grievance appeal form, unless the prisoner's Correctional Caseworker or Correctional Care and Treatment Worker confirms that it was not possible for the prisoner to file the form without assistance and that the Correctional Caseworker or Correctional Care and Treatment Worker was unable to provide the assistance in a timely manner. The fact that a prisoner is not housed at a Departmental facility shall

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 4 of 11 08/15/12 R

not be grounds for an exception to the time limit for filing a grievance form or grievance appeal form.

12. The prisoner shall state, using one grievance form only, as briefly and concisely as possible, the specific nature of the complaint, including all the persons and dates involved. The prisoner shall provide sufficient information to show when the fifteen (15) day time limit began. The prisoner shall also state the specific remedy requested.
13. A prisoner may not bring up more than one subject in any one grievance. Except for photocopies of relevant documents (e.g., property inventory sheet, proof of purchase, health care report, etc.), the prisoner shall not submit any attachments with the grievance form.
14. No prisoner using the grievance process in good faith shall be subjected to retaliation in the form of an adverse action or a threat of an adverse action for using the grievance process. However, a prisoner may have his/her access to the grievance process suspended under Procedure F. and/or may be subjected to disciplinary action for abuse of the grievance process.
15. A prisoner shall be entitled to pursue, through the grievance process, any complaint that the prisoner has been subjected to retaliation for using the grievance process in good faith.
16. A prisoner may withdraw his/her grievance at any time by written notice to the Grievance Review Officer.

Procedure B: Informal Resolution

1. Unless the prisoner is housed in a jail or another jurisdiction's facility, before filing any grievance form, a prisoner shall make an attempt to resolve the complaint in an informal manner by contacting, as soon as possible and no later than within the first five (5) days of the fifteen (15) day time period, an available supervisor who is designated on the Chief Administrative Officer's list as having jurisdiction over the subject. The prisoner shall provide to the supervisor, at the time of the contact, the grievance form that the prisoner is proposing to file. The form must meet the requirements of Procedure A, 12 and 13.
2. The supervisor shall sign the form and note on it when the prisoner contacted the supervisor about the complaint. The supervisor shall then attempt or shall designate another staff person to attempt, as soon as possible, to informally resolve the complaint, if possible. The supervisor, or designee, shall determine, in his or her discretion, whether it is appropriate to meet with the prisoner as part of this attempt. Any informal resolution requires the agreement of the supervisor, or designee, and the prisoner and must be consistent with Departmental policies, procedures, and practices.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 5 of 11 08/15/12 R

3. If the complaint is resolved, the supervisor, or designee, shall note on the form what the resolution is, including the implementation date, have the prisoner sign the form acknowledging the resolution of the complaint, and return the original to the prisoner, keeping a copy for the supervisor's files. If the informal resolution is not implemented by the specified date, the prisoner may file a grievance within fifteen (15) days of the date specified. This grievance shall be handled through the formal grievance process, with no requirement of any further attempt at an informal resolution.
4. If the complaint is not resolved, the supervisor, or designee, shall list on the form the actions taken in the attempt to resolve the complaint. The supervisor, or designee, shall return to the prisoner the original form, with the date of return noted, no later than within five (5) days of the contact, keeping a copy for the supervisor's files. Neither the supervisor, nor the supervisor's designee, may refuse to comply with any requirement of this procedure, for any reason.
5. If the prisoner has complied with all of the requirements of this procedure, but the complaint is not resolved for any reason, the prisoner must file a grievance form within the original fifteen (15) day time limit in order to utilize the grievance process.
6. A prisoner housed in a jail or another jurisdiction's facility is not required to comply with the requirements of this procedure.

Procedure C: First Level Review of a Prisoner Grievance

1. The Grievance Review Officer shall first review a grievance form to determine whether the subject is grievable, whether the grievance form has been filed within the fifteen (15) day time limit (or an exception should be granted), whether the prisoner has complied with the requirements of Procedure B (unless the prisoner is housed in a jail or another jurisdiction's facility), whether the complaint is a duplicate of an earlier grievance, or whether there has been an obvious abuse of the grievance process by the prisoner.
2. If the Grievance Review Officer determines the subject is not grievable, the grievance form has been submitted untimely, the prisoner has not complied with the requirements of Procedure B, the complaint is a duplicate of an earlier grievance, the grievance is obviously frivolous in nature or there has otherwise been an obvious abuse of the grievance process by the prisoner, the Grievance Review Officer shall dismiss the complaint and return the original grievance form to the prisoner, along with a form noting the reason for the dismissal of the complaint (Attachment B). (A prisoner who files a grievance form properly completed by a designated supervisor within the fifteen (15) day time limit and whose only failure was contacting the supervisor beyond the first five (5) days of the time limit shall not have the grievance dismissed.) When a grievance is

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 6 of 11 08/15/12 R

dismissed, the Grievance Review Officer shall make a copy of the grievance form and the form noting the reason for dismissal for the file. No appeal of a dismissal is allowed.

3. Any attempt to file a grievance about a decision of the Grievance Review Officer acting as the Grievance Review Officer shall be treated as not grievable and dismissed. No appeal of a dismissal is allowed.
4. If the information provided by the prisoner on the grievance form is not sufficient for the Grievance Review Officer to determine whether it was filed within the required fifteen (15) day time limit, the Grievance Review Officer shall immediately return the original grievance form to the prisoner, along with a form noting the reason for the return of the complaint (Attachment B). The Grievance Review Officer shall make a copy of the grievance form and the form noting the reason for return for the file. The prisoner must resubmit the grievance form with the missing information within the original fifteen (15) day time limit for filing a grievance in order to utilize the grievance process.
5. If a complaint is dismissed, but the Grievance Review Officer determines that the complaint requires follow up, the Grievance Review Officer shall forward the complaint to the Chief Administrative Officer, or designee, for determination, outside the grievance process, as to any other action required.
6. Unless the complaint is dismissed or returned for additional information, the Grievance Review Officer shall date the form with the date the grievance was date stamped, log the receipt of the grievance, and assign to the grievance a log number. The log number shall consist of the last two digits of the year, the initials for the facility, and the order of receipt of the grievance (e.g., the thirteenth grievance received by the Maine State Prison Grievance Review Officer in the year 2011 would be logged as 11-MSP-13). That log number shall be used to identify the grievance throughout the entire grievance process.
7. If the grievance concerns a decision of the person designated as Grievance Review Officer (made by that person in a capacity other than Grievance Review Officer), the Grievance Review Officer shall immediately forward the grievance to the other staff designated as acting Grievance Review Officer for review and shall so advise the prisoner.
8. Once logged, the Grievance Review Officer shall investigate the grievance. This may include, but is not limited to, conducting interviews with the prisoner, staff, or others, requesting copies of documents, requesting oral or written reports from staff, reviewing policies and procedures, etc. All staff shall cooperate fully with the requests of the Grievance Review Officer.
9. The Grievance Review Officer shall respond to the grievance, in writing, no later than thirty (30) days following receipt of the grievance form, indicating any action

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 7 of 11 08/15/12 R

taken to resolve the prisoner's grievance or the reasons for the denial of the grievance (Attachment C). The Grievance Review Officer shall include a grievance appeal form (Attachment E) with the response.

10. If the only remedy for the grievance requires action by the Chief Administrative Officer, the Grievance Review Officer shall forward the grievance, together with any investigative reports and other documentation, to the Chief Administrative Officer for review and shall so advise the prisoner.
11. If the only remedy for the grievance requires action by the Commissioner (e.g., changing a Departmental policy or procedure), the Grievance Review Officer shall forward the grievance to the Commissioner for review and shall so advise the prisoner.
12. If a response cannot be made within the thirty (30) days, the Grievance Review Officer shall so advise the prisoner and shall indicate when the response will be made, which must not be later than an additional ten (10) days.
13. If the matter being grieved might also be the subject of or otherwise involve a criminal investigation, the Grievance Review Officer shall immediately contact the Department's Assistant Attorney General for instruction as to how to respond to the grievance. The Grievance Review Officer shall not inform the prisoner that the subject has been referred to the Attorney General's Office and shall not provide any other information to the prisoner prior to receiving this instruction.

Procedure D: Second Level Review of a Prisoner's Grievance

1. If, after receipt of the response from the Grievance Review Officer, the prisoner wishes to appeal, the appeal must be filed with the Grievance Review Officer, using the grievance appeal form, within fifteen (15) days of the date of the response (the date the Grievance Review Officer signs the response and sends it to the prisoner). The prisoner shall include on the appeal form the log number assigned to the grievance by the Grievance Review Officer. If the prisoner does not appeal within the fifteen (15) day time period, the Grievance Review Officer shall close the case. A prisoner may use only this form to submit an appeal. Any attempt by a prisoner to submit an appeal via letter or in any other way shall not be accepted.
2. The prisoner shall state, using one grievance appeal form only, the reasons for the appeal. The prisoner shall not raise an argument on appeal that was not raised in the original grievance or the response to the original grievance. Except for photocopies of relevant documents (e.g., property inventory sheet, proof of purchase, health care report, etc.), the prisoner shall not submit any attachments with the grievance form.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 8 of 11 08/15/12 R

3. The Grievance Review Officer shall first review a grievance appeal form to determine whether the grievance appeal form has been filed within the fifteen (15) day time limit (or an exception should be granted). If the Grievance Review Officer determines the grievance appeal form has been submitted untimely, the Grievance Review Officer shall dismiss the appeal and return the grievance appeal form to the prisoner, along with a form noting the reason for the dismissal of the appeal (Attachment B). The Grievance Review Officer shall make a copy of the grievance appeal form and the form noting the reason for dismissal for the file. No appeal of a dismissal is allowed.
4. Unless the appeal is dismissed, the Grievance Review Officer shall log the receipt of the appeal and forward the grievance appeal form, together with all prior correspondence and documentation, to the Chief Administrative Officer.
5. The Chief Administrative Officer, or designee, shall review all prior correspondence and documentation and may require additional investigation before making a written response to the prisoner.
6. The Chief Administrative Officer, or designee, shall respond to the grievance, in writing, within twenty-five (25) days of filing of the appeal, indicating any action taken to resolve the prisoner's grievance or the reasons for the denial of the appeal (Attachment D). The Chief Administrative Officer, or designee, shall include a grievance appeal form with the response.
7. If the only remedy for the grievance requires action by the Commissioner (e.g., changing a Departmental policy or procedure), the Chief Administrative Officer, or designee, shall require the Grievance Review Officer to forward the appeal, together with all prior correspondence and documentation, to the Commissioner for review and shall so advise the prisoner.

Procedure E: Third Level Review of a Prisoner's Grievance

1. If, after receipt of the response from the Chief Administrative Officer, the prisoner wishes to appeal, the appeal must be filed with the Grievance Review Officer, using the grievance appeal form, within fifteen (15) days of the date of the response (the date the Chief Administrative Officer signs the response and sends it to the prisoner). The prisoner shall include on the appeal form the log number assigned by the Grievance Review Officer to the grievance. If the prisoner does not appeal within the fifteen (15) day time period, the Grievance Review Officer shall close the case. A prisoner may use only this form to submit an appeal. Any attempt by a prisoner to submit an appeal via letter or in any other way shall not be accepted.
2. The prisoner shall state, using one grievance appeal form only, the reasons for the appeal. The prisoner shall not raise an argument on appeal that was not raised in the original grievance or the response to the original grievance. Except

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 9 of 11 08/15/12 R

for photocopies of relevant documents (e.g., property inventory sheet, proof of purchase, health care report, etc.), the prisoner shall not submit any attachments with the grievance form.

3. The Grievance Review Officer shall first review a grievance appeal form to determine whether the grievance appeal form has been filed within the fifteen (15) day time limit (or an exception should be granted). If the Grievance Review Officer determines the grievance appeal form has been submitted untimely, the Grievance Review Officer shall dismiss the appeal and return the grievance appeal form to the prisoner, along with a form noting the reason for the dismissal of the appeal (Attachment B). The Grievance Review Officer shall make a copy of the grievance appeal form and the form noting the reason for dismissal for the file. No appeal of a dismissal is allowed.
4. Unless the appeal is dismissed, the Grievance Review Officer shall log the receipt of the appeal and forward the grievance appeal form, together with all prior correspondence and documentation, to the Commissioner.
5. The Commissioner, or designee, shall review all prior correspondence and documentation and may require additional investigation before making a written response to the prisoner, which must be done within twenty (20) days of filing the appeal. A copy of the response shall be forwarded to the Grievance Review Officer and the Chief Administrative Officer.
6. This level is the final administrative level of appeal.

Procedure F: Abuse of the Grievance Process

1. If the Commissioner, or designee, or the Chief Administrative Officer determines that a prisoner has abused the grievance process by filing a frivolous grievance (a grievance is not frivolous if it is a complaint about a violation of law, a violation of policy or procedures, a risk to health or safety, or an ongoing or frequent deviation from a normal practice or condition of confinement), by filing multiple grievances on the same subject, or by otherwise creating an administrative burden, or by knowingly making a false statement in a grievance, the Commissioner, or designee, or the Chief Administrative Officer, may suspend the prisoner's access to the grievance process for up to a ninety (90) day period. If the Commissioner, or designee, or the Chief Administrative Officer suspends a prisoner's access to the grievance process, the Commissioner, or designee, or the Chief Administrative Officer shall notify the prisoner in writing (Attachment F). If the Chief Administrative Officer suspends a prisoner's access to the grievance process, the Chief Administrative Officer shall ensure that the Commissioner, or designee, is notified of this decision at least one (1) week prior to notifying the prisoner. If the Commissioner, or designee, does not agree with the Chief Administrative Officer's decision, he or she shall notify the Chief Administrative Officer prior to the expiration of the one (1) week time period.

POLICY NUMBER/TITLE	CHAPTER NUMBER/TITLE	PAGE NUMBER
29.01 Prisoner Grievance Process, General	29. Client Grievance Rights	Page 10 of 11 08/15/12 R

2. If a prisoner who has had his or her access to the grievance process suspended three (3) or more times continues to abuse the grievance process, the Commissioner may impose an indefinite suspension.
3. A prisoner who has been suspended from access to the grievance process may not file a grievance during the period of suspension, unless it concerns a violation of a constitutional right.
4. A prisoner who has received an indefinite suspension may apply to the Commissioner for reinstatement of access to the grievance process no earlier than one (1) year after the suspension was imposed and no more frequently than annually thereafter. The decision whether to reinstate access to the grievance process is at the sole discretion of the Commissioner.

Procedure G: Grievance Records

1. Records regarding the filing and disposition of individual grievances shall be collected and maintained systematically within each correctional facility and shall be handled in the same manner as other prisoner records.
2. Each correctional facility shall send quarterly reports to the Commissioner concerning the operation of the grievance process. These reports shall include the numbers and types of grievances logged, the numbers of grievance appeals logged, the response times to each, and the highest level response and the nature of the resolution in each case.

VII. PROFESSIONAL STANDARDS:

ACA:

- ACI - 4-4284** There is a written inmate grievance procedure that is made available to all inmates and that includes at least one level of appeal.
- 4-ACRS-6B-03** A grievance procedure that includes at least one level of appeal is available to all offenders. The grievance procedure is evaluated at least annually to determine its efficiency and effectiveness. The quantity and nature of offender grievances is aggregated and analyzed annually.

Re: Prisoner safety concerning the Prevention of Sexual Misconduct

It is important that each and every prisoner is safe from sexual misconduct from other prisoners and/or staff. To that end, **the Maine Department of Corrections has a zero tolerance policy for sexual misconduct.** This guide will give you information as to what you can do to reduce the chance of being sexually assaulted or the subject of other sexual misconduct, how to report a sexual misconduct, and what the facility's response to such a report will be. Again, sexual misconduct from any source will not be tolerated at any Departmental facility.

It is the policy of the Maine Department of Corrections that staff-on-prisoner and prisoner-on-prisoner sexual misconduct will not be tolerated -- **all sexual conduct, including sexual contact, is against the Department's rules and considered to be sexual misconduct.** All allegations of sexual misconduct or threats of sexual misconduct will be thoroughly investigated. Furthermore, any perpetrator will be disciplined and/or prosecuted.

Under prisoner discipline, Policy 20.1, any prisoner sexual activity involving duress, force, or violence is a Class A disciplinary violation. Any prisoner sexual activity not involving force, violence, or duress is a Class B violation.

Departmental Policy 6.11, Sexual Misconduct (PREA and Maine Statutes), provides definitions and Maine Criminal Statute references. These definitions and references are also included with this guide.

NOTE: It is not sexual contact or touching when an employee is doing a physical search or medical staff is doing a medical examination according to approved departmental policies and/or procedures.

Because of the difference in power between prisoners and staff, legally **there can never be a consensual relationship between the two. Also, any consensual relationships between prisoners are prohibited.**

You have the right to be safe from sexual misconduct. While you are incarcerated, no one has the right to pressure you to engage in sexual acts. You do not have to tolerate sexual misconduct or pressure to engage in unwanted sexual behaviors regardless of your gender, age, size, race, ethnicity, sexual orientation, or other characteristics. You have the right to be safe from unwanted sexual advances and acts.

ABOUT YOUR SAFETY: If you feel that someone is pressuring you or sexually harassing you, staff are available to help you deal with this problem. If you are being pressured, threatened or extorted for sex, you should report this to staff. You should feel free to discuss your concerns about sexual misconduct, or implied or threatened sexual misconduct with any staff member. If you are in an emergency situation, approach any staff member. You may also use the prisoner phone to directly call the Correctional Investigator (phone number provided in your handbook). In addition you should report any retaliation you experience for reporting or cooperating with an investigation of sexual misconduct or sexual harassment.

AVOIDING SEXUAL MISCONDUCT

Here are some things you can do to protect yourself against sexual misconduct.

- 1) Carry yourself in a confident manner at all times. Do not permit your emotions (fear/anxiety) to be obvious to others.
- 2) Do not accept gifts or favors from others. Most gifts or favors come with strings attached to them.
- 3) Do not accept an offer from another prisoner to be your protector.
- 4) Find a staff member with whom you feel comfortable discussing your fears and concerns.
- 5) Be alert! Do not use contraband substances such as drugs or alcohol: these can weaken your ability to stay alert and make good judgments.
- 6) Be direct and firm if others ask you to do something you don't want to do. Do not give mixed messages to other prisoners regarding your wishes for sexual activity.
- 7) Stay in assigned areas of the institution.
- 8) Choose your associates wisely. Look for people who are involved in positive activities such as education programs, counseling programs or religious activities. Stay involved in positive activities.
- 9) Trust your instincts. If you sense that a situation may be dangerous, it probably is. If you fear for your safety, report your concerns to staff.

What to do if you are a victim of sexual misconduct. If you become a victim of sexual misconduct, you should report it immediately to staff, which will offer you immediate protection and, in the case of sexual assault will refer you for a medical examination and clinical assessment. Assistance will be provided regardless of whether or not you name the responsible prisoner or staff member; however, specific information may make it easier for staff to help you. Even though you may want to clean up after an assault, it is important to see medical staff BEFORE you shower, wash, drink, eat, smoke, change clothing or use the bathroom. Medical staff will examine you for injuries which may or may not be readily apparent to you. You may also be checked for sexually transmitted diseases and gather physical evidence of assault. All medical and mental health care provided to you as a result of a report of sexual misconduct will be provided to you at no cost. The individual or individuals responsible can only be disciplined and/or prosecuted if the misconduct is reported.

How do you report an Incident of Sexual Misconduct? It is important that you tell a staff member if you have been sexually assaulted. **You can tell any caseworker, mental health worker, chaplain, security staff member, medical practitioner, administrative staff member, investigator, or any other employee.** Department staff members are instructed to keep the reported information confidential and only discuss it with the appropriate officials on a need to know basis. You also have the option of reporting the misconduct or threats in writing. You may write to a member of the administrative staff, a caseworker, a mental health staff member, a chaplain, a security supervisor, a member of Central Office, the investigator, or any other employee you trust. However, any delay in reporting an incident will make investigating the incident far more difficult. The Department's toll- free PREA hotline number is **1-855-279-4763**. The Maine Coalition Against Sexual Assault crisis and support's toll- free number is **1-800-871-7741**.

What happens when you report an incident of Sexual Misconduct? Allegations of sexual misconduct are first assigned to one of the Department's investigators. The allegations will be thoroughly investigated. A report made in good faith based upon a reasonable belief that the alleged conduct did occur does not constitute lying for the purpose of disciplinary action even if investigation does not establish evidence sufficient to substantiate the allegation. No reprisals of any kind shall be taken against a prisoner for good faith reporting of sexual misconduct or sexual threats. However, if investigation discloses that a person who knew that the information was false made the allegation intentionally or with malice, he or she may be charged with falsely reporting an incident and/or may be

subject to disciplinary action. A person is guilty of falsely reporting an incident if it is proven beyond a reasonable doubt that, knowing the information reported, conveyed or circulated to be false or baseless, he or she reports to a law enforcement officer or agency the alleged occurrence of an offense or incident which did not in fact occur.

Seek Medical Attention: If you have been sexually assaulted, you should seek medical attention immediately. Although it may be difficult, it is important that you do not shower after the assault. Showering may wash off the hair and body fluids which are critical evidence, especially with the potential use of DNA technology. Also, do not wash, destroy or discard the clothes and underwear that you had on at the time of the assault, as these items may be used to collect critical evidence. You will be checked at a hospital for the presence of physical evidence. A medical professional will perform a medical examination as deemed appropriate based upon his or her professional judgment, and document the existence of physical evidence which remains after the assault. This physical evidence is crucial in corroborating that the sexual assault occurred and in identifying the assailant. The examination will be conducted privately and professionally at the hospital. You should seek medical help if you have been sexually assaulted or had sexual relations with others, to determine if you have been exposed to the HIV virus or other sexually transmitted diseases. Female prisoners may be tested for pregnancy when appropriate.

Confidentiality: Information concerning the identity of a prisoner victim reporting sexual misconduct, and the facts of the report itself, shall be limited to those who have a need to know in order to make decisions concerning the prisoner victim's welfare. If a case is forwarded for prosecution, certain information may have to be shared during the court proceedings.

Counseling Programs for Victims of Sexual Misconduct: If you have been the victim of sexual misconduct by staff or prisoners, you will be referred for counseling and/or advice from a mental health clinician. Crisis counseling, coping skills, suicide prevention and mental health counseling are all available to you. Often, people may require help to recover from the emotional effects of sexual misconduct. If you are a victim of a sexual misconduct while in prison, or if you were victimized in the past, professional staff are available to provide treatment.

In summary, the Department of Corrections has a zero tolerance policy for sexual misconduct. Accordingly, all allegations of sexual misconduct or sexual threats will be thoroughly investigated. Any victim of sexual misconduct will be treated in a sensitive manner with due consideration to the effects of sexual misconduct. Furthermore, any perpetrator of a sexual misconduct incident will be dealt with severely through discipline and/or prosecution to the fullest extent permitted by law.
