RE: Request Related to Prisoner Grievances and Prisoner Correspondence

Dear FOIA Coordinator:

We are University of Michigan Law School students conducting a research project (the Prison Information Project) on prisoner grievance and correspondence/publication procedures throughout state prison systems. As part of our project, we are requesting public records from various state departments of corrections. Our request is made under the Michigan Freedom of Information Act, Act 442 of 1976, M.C.L. § 15.231 et seq.

The goal of our project is to increase public awareness and enhance the public interest through the collection, analysis, and dissemination of information regarding prisoner grievance procedures and correspondence/publication guidelines. To that end, the Prison Information Project requests the following documents:

Records Requested

1. Any current prisoner handbook or manual (including any inmate orientation handbook or manual), system-wide or institution-specific.
2. All current prisoner grievance regulations, policies, guidelines, manuals, directives, rules, etc., including general grievance policies/guidelines/etc. and specific grievance policies/guidelines/etc. relating to, for example, health care or sexual assault.
   o If the attached document is the only and most current and complete policy, please indicate as such. If this is the case, there is no need to send a duplicate policy.
   o By "grievance," we mean any grievance or complaint, whether formal or informal, whatever the subject matter.
3. Any records, created or updated from 2003 to the present, tallying or reporting:
   o The number of grievances filed and resolved each year.
   o The categories or subject matter of grievances filed and resolved, and number of
     grievances in each subject matter category used (for instance, grievances related to food,
     health care, use of force, etc., and including both ordinary and “sensitive” complaints
     such as those involving allegations of staff misconduct)
   o Grievance outcomes or resolutions each year, by subject matter category and year.
   o Statistics or data on length of time to resolve grievances, by subject matter category and
     year.
     1. We are not requesting individual grievance records. We are only requesting
        records that summarize, aggregate, or compile grievance data.

4. Any current policy for prisoner mail or correspondence, including regular and legal mail,
   prisoner receipt of newspapers, magazines, newsletters, and books.
   o If the attached document is the only and most current and complete policy, please
     indicate as such. If this is the case, there is no need to send a duplicate policy.

Our preferred form for public records is digital copies (such as Word files or PDFs), sent as email
attachments or via fax. However, if records are only available in paper form, or if transferring to a
digital form would incur a cost, please let us know.

The Prison Information Project requests a response to these requests within 5 business days. Should you
determine that any of the information requested is exempt and will not be disclosed, please provide me
with a notification citing the legal authorities on which you rely.

We anticipate that the records we are requesting are readily available and will not require excessive staff
time or resources. Because we are conducting this research on behalf of a public university and intend to
use the information for educational purposes we are requesting a fee waiver pursuant to M.C.L. §
15.234. If you believe the fee waiver does not apply, please notify us before processing this request.

Sincerely,

Greer Donley
Prison Information Project
