Re: Open Records Request

Dear Ms. Benavides:

This correspondence is in response to your Public Information / Open Records request received February 18, 2014 for information pertaining to offender grievances, to include specific grievances related to sexual assaults.

Enclosed please find Administrative Directive 03.82 – Management of Offender Grievances. This policy is provided in addition to your attachment entitled “Texas Grievance Policy”. I have also included Executive Directive 02.10 – Prison Rape Elimination Act Complaints and Inquiries, as it pertains to offender complaints related to allegations of sexual assault.

Chapter One (1) of the Public Information Act (Open Records) Manual allows the state to charge for information requested under these guidelines. Executive Services is waiving all charges associated with this particular request.

I hope this information is beneficial to you.

Sincerely,

A handwritten signature in cursive script that reads "Alicia Frezia Nash".
