   B. The Department Director of Mental Health will develop criteria, as needed, for the placement of seriously mentally ill offenders in ITS and will coordinate with the Superintendent.

II. Assignments
PROMISES WILL HAVE DESIGNATED SECURITY LEVEL 5 IMS/ITS BEDS.

B. Offenders of any custody level may be referred for IMS/MAX/ITS.

1. Prior to requesting assignment to IMS/MAX/ITS, less restrictive alternatives will be considered.

2. Referrals to IMS/ITS may occur at any point in the Administrative Segregation (Ad Seg) process.

C. Offenders housed in Intensive Management Unit (IMU), which is a Security Level 5 housing unit, or Intensive Treatment Unit (ITU), are:

1. Those deemed to present an immediate and serious threat to the security and safety of the facility, staff, self, and/or other offenders by means of, but not limited to:

   a. Commission of a serious infraction(s),

1. The Ad Seg Hearing Officer will review all pertinent information, conduct a formal hearing, and make a recommendation to the Superintendent/designee using the Offender Management Network Information (OMNI) Facility Plan. The offender's custody level should be reviewed at this time. For ITS placement:

   a. Documentation of a seriously mentally ill offender’s status by a mental health professional is required.

   b. A mental health professional should confirm the offender's current mental status.

2. Recommendations will be submitted through the Correctional Mental Health Program Manager/Correctional Program Manager.

3. The Superintendent/designee will review and approve/deny the recommendation of the Ad Seg Hearing Officer.
4. If approved, a copy of the OMNI Facility Plan will be sent to the Assistant Secretary for Prisons/designee for final approval.

B. If a bed is unavailable at an ITU facility, the offender will be housed in other secured housing until a bed becomes available.

C. In emergency situations, a hearing will be held as soon as possible after the transfer.

IV. IMS/ITS Procedure

A. The Ad Seg Hearing Officer will preside over Facility Risk Management Team meetings of offenders assigned to IMU status. ITU meetings will always include a mental health professional.

B. Staff will complete an assessment:

1. For offenders on IMS within the first 30 days, identifying the offender’s needs and determining an individual Inmate Behavioral Management Plan.

2. For offenders on ITS within the first 7 days, identifying the offender’s needs and developing an Individualized Treatment Plan.

C. The offender’s response to the Individual Behavior Management Plan/Individualized Treatment Plan and Progressive Reintegration Plan will be reviewed and recorded. The results of the review will be documented on DOC 17-082 Segregation Designation Review.
