**Intent and Purpose**

The following handbook contains the Huntington Work Release Center rules by which all inmates are required to abide by during their stay at this facility.

These rules do not replace, cancel or exclude those rules set forth in Policy Directive 325.00, Discipline of Inmates or other policies that govern inmate responsibilities and behavior in a DOC facility. However, failure to follow these rules will result in disciplinary action as set forth in Policy Directive 325.00, Discipline of Inmates and PD 325.13, Unit Disciplinary Process for Young Adult Offenders and Community Correction Centers.

**General Rules and Regulations**

1. When formal counts are announced, inmates are to report to their assigned dorm. Employees are required to count living, breathing flesh and are authorized to awaken an inmate to resolve any doubts during a count.

2. Fire drills will be conducted at various times and all inmates are required to participate. Schematic drawings of how to exit the building are posted throughout the facility.

3. In the event of a power outage and/or any other unusual incident which may require restricted inmate movement, all inmates are to report to their dorms and remain there until further notice.

4. Feeding of any animal on the rear lot is prohibited.

5. Intimate relationships (except legal spousal) are prohibited and will be dealt with accordingly. Relationships out of the Center are discouraged. Male inmates will only be permitted to take Day Furloughs and Passes on the odd days of the month. Female inmates will only be permitted to take Day Furloughs and Passes on the even days of the month.

6. Sexual assault and custodial sexual misconduct are against the law. If you are a victim of sexual assault OR you suspect someone else has been sexually abused or involved in sexual misconduct with a staff member, you need to report it. A thorough and impartial investigation will be conducted.

7. See your Case Manager if you would like information about sexual abuse/assault; including prevention/intervention, self-protection, and or treatment/counseling.

8. Possession and/or use of tobacco products, cell phones, personal computers, and/or any device with internet, cellular, or Wi-Fi capabilities is strictly prohibited.

9. You are not permitted to leave the facility without being signed out at Control. Staff will sign you out on a time card at which time you will acknowledge your purpose for exiting and be advised of your scheduled return time.
