I. PURPOSE

- A. **Inmate Communication and Grievance Review.** The purpose of this policy is to establish a uniform set of guidelines and procedures to direct proper and effective communication between Wyoming Department of Corrections staff and inmates and for the administration of the department's internal grievance review and appeal system for inmates confined in WDOC correctional facilities. This policy and procedure is intended to establish an administrative process to resolve valid and justified inmate grievances without involvement of the courts. It also provides the courts with a written record of the grievance and administrative action taken, if the matter should reach the courts. Accordingly, this policy establishes the available administrative remedies that the courts may require to have been exhausted prior to proceeding in an action brought under 42 USC § 1983.

II. POLICY

- A. **Effective Communication and Informal Resolution.** It is the policy of the Wyoming Department of Corrections (WDOC) to promote and encourage proper and effective communication between staff and inmates and to encourage inmates to address their concerns informally through either dialog or the use of written inmate communication forms where possible. This policy provides for a system of two-way communication between all levels of staff and inmates. (ACA-4-4016)
- B. **Fair and Equitable Treatment of Inmates.** Within the inherent limitations of resources and the need for facility security, safety, health and good order, it is the policy of the WDOC that all inmates be treated fairly and equitably, and that staff actions and decisions be consistent with the rules, policies and procedures of the department.
- C. **Inmate Grievance Review and Appeal System.** Recognizing that due to the complex nature of the correctional setting some issues/disputes between staff and inmates may not be readily resolved at the informal level, it is the policy of the WDOC to permit and encourage all inmates to seek resolution of issues/disputes, which cannot be resolved informally through a dialog with staff or by written communications, by using the department's internal inmate grievance review and appeal system established in this policy and procedure. This inmate grievance procedure is intended to serve as an administrative means for the expression and resolution of inmate problems and provides for the following: written responses to all grievances, including the reasons for

the decision; response within a reasonable, prescribed time limit, with special provisions for responding to emergencies; supervisory review of grievances through two levels of appeal; participation by staff and inmates in the procedure's design and operation; access by all inmates, with guarantees against reprisals; applicability over a broad range of issues; and means for resolving questions of jurisdiction. (ACA 4-4284)

- D. Official Communications and the Inmate Grievance System.** It is the policy of the WDOC that the availability of this policy and procedure does not prohibit inmates from writing to WDOC officials, the Governor, the Attorney General, or any other official. However, letters to state officials regarding issues subject to this policy and procedure may be responded to with instructions to utilize the inmate communication and grievance procedure if the inmate has not done so beforehand. Letters to WDOC officials regarding issues subject to this policy and procedure that have already been reviewed and responded to in accordance with this policy and procedure will be acknowledged, but shall not receive an additional response regarding those issues beyond the grievance and appeal responses previously provided.
- E. Retaliation Prohibited.** It is the policy of the WDOC that participation in the inmate grievance review and appeal system shall not result in formal or informal reprisal. Any action or threat of action against anyone for the good faith use of or good faith participation in the inmate grievance review and appeal system is prohibited, and any such actions shall constitute a basis for an additional grievance.

--	--	--

- i.** A copy of this policy and procedure shall be made available to all inmates who are under the authority of WDOC through individual distribution or posting. This policy and procedure shall be explained to inmates when necessary.
 - ii.** Each inmate, upon being newly received into the WDOC, shall receive a copy of this policy and procedure for their personal use and shall receive an oral explanation of the procedure, including the opportunity to have questions regarding the inmate communication and grievance procedure answered orally.

If at any time a significant portion of the population in a correctional facility is non-English speaking, the procedure will also be made available in the predominant foreign language.
- 3.** Inmates who need assistance reading and/or understanding this policy and procedure because they do not speak English, because they are impaired or handicapped, or for any other reason, shall be afforded assistance by their assigned counselor, case manager, or assigned interpreter, who may arrange for further assistance as indicated.

B. Implementation of This Policy and Procedure

- 1.** Each CEO shall develop internal correctional facility operating guidelines to:

 - i.** Disseminate and otherwise make this policy and procedure available to inmates and employees;

- ii. Select and appoint appropriate grievance manager(s) and any other officials deemed necessary to carry out this policy and procedure; and
- iii. Implement the general requirements of this policy and procedure, including, but not limited to:
 - a. Training of the policy and procedure;
 - b. Document control and record keeping; and
 - c. Any other matter deemed by the CEO to be in the furtherance of the purpose of this policy and procedure.

C. General Inmate-Staff Communication Principles. Proper and effective communication between staff and inmates is an essential component of sound correctional facility management and inmate rehabilitation.

1. Integral to this policy and procedure is the directive that inmates seek to resolve issues/disputes with staff at the lowest possible level, beginning with verbal face-to-face communication, and that staff respond to inmate communications in a professional and timely manner.
2. WDOC recognizes that inmates and staff communicate with each other not only with their choice of words (oral or written), but also non-verbally through their manner, tone, and approach (commonly referred to as “body language”).
3. Inmates and staff are jointly responsible for ensuring their choice of words, manner, tone and approach are appropriate to properly and effectively convey their intended information and ideas to one another.
4. Inmates shall communicate with staff in a civil and respectful tone and manner.
5. Staff shall communicate with inmates in a professional manner that fosters respect and confidence. Staff orders directed to inmates should be clear and concise.
6. Inmates will be specifically informed of the approved communication continuum at the time of intake/orientation and shall work through the approved communication continuum with the staff person to whom the inmate’s question or complaint is directed prior to directing his/her question or complaint to a higher authority.

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 8 of 33
		Inmate Communication and Grievance Procedure

- D. The Inmate Communication Continuum.** Each inmate is required to attempt to first request information from and/or resolve issues/disputes at the lowest level possible within the organization at the facility level before advancing to the next level whenever circumstances permit. Inmates requiring information from or seeking to resolve issues/disputes with staff shall communicate using the department's approved communication methods, beginning with face-to-face verbal communication, then use of the inmate communication form. Issues/disputes not resolved to the inmate's satisfaction through use of the inmate communication continuum may be pursued through the inmate grievance process.
- 1. Face-to-Face, Verbal Communication.** The first step for an inmate in communicating with or requesting information from staff, or in resolving an issue or dispute, is to communicate directly with the appropriate staff member.
 - i.** If an inmate has a request or needs a staff's assistance, he/she should first verbally ask the staff member for the information/item requested, unless the inmate is required by policy or practice to place that specific request in writing (*e.g.*, requests for indigent writing supplies.)
 - ii.** If there is an issue or dispute involved, the inmate should contact the staff within five (5) calendar days of the incident or occurrence giving rise to the issue/dispute and attempt informal resolution through face-to-face, verbal communication, unless doing so would clearly aggravate the issue/dispute.
 - iii.** Experience has demonstrated that inmate requests and issues/disputes between inmates and staff can be resolved more effectively when inmates first speak directly to the appropriate staff member about the request or a perceived problem/issue.
 - iv.** The interaction from face-to-face communication between inmates and staff often leads to faster and more satisfactory resolution of requests and issues/disputes, while reducing staff time and paperwork
 - 2. Inmate Communication Form (WDOC Form #320).** An inmate shall use WDOC Form #320, *Inmate Communication Form*, to communicate to facility staff at the lowest level of responsibility for resolving or responding to the question/issue when the inmate is unable to obtain the

		Inmate Communication and Grievance Procedure

information he/she seeks or to resolve his/her issue/dispute by first speaking to the staff through face-to-face communication.

- i.** An inmate shall submit WDOC Form #320 within ten (10) calendar days of the incident or occurrence giving rise to the issue/dispute (*i.e.*, within five (5) calendar days of attempting informal resolution by first speaking to the staff member through face-to-face communication to seek resolution of the issue/dispute).
- ii.** Inmate communications that are sent to employees other than to staff at the lowest level of responsibility for resolving or responding to the issue/dispute will be returned to the inmate, with instruction that the inmate resubmit the communication to the appropriate staff member identified by staff in the response.
- iii.** Inmate communications containing profanity, threats, or other inappropriate language or comments will be returned to the inmate without further processing by staff, and with instruction that the inmate resubmit the communication using appropriate language that is civil and respectful in tone and manner. Such return shall not extend any of the filing timelines outlined in this policy.
- iv.** Inmate communications containing profanity, threats, or other inappropriate language or comments may subject the inmate author to disciplinary action in accordance with the Code of Inmate Discipline.
- v.** Staff shall make every reasonable effort to respond to WDOC Form #320 within five (5) working days of receipt.
- vi.** If the inmate does not receive a response from the staff member within ten (10) working days, the inmate may send a second WDOC Form #320 to the staff member to seek resolution of the issue/dispute, or he/she may direct a WDOC Form #320 to the staff member's immediate supervisor.
- vii.** In lieu of sending a second WDOC Form #320 to the staff member or sending a WDOC Form #320 to the staff member's immediate supervisor, if the inmate does not receive a response from the staff member within ten (10) working days, the inmate may choose to immediately proceed to the inmate grievance procedure.

E. Overview of the Inmate Grievance Procedure

1. General Guidelines

- i.** WDOC Form #321, *Inmate Grievance Form*, and WDOC Form #322, *Inmate Grievance Appeal Form*, shall be readily available to inmates from the inmate’s housing unit officer, counselor or case manager, and/or from supervisors.
- ii.** If an inmate is unable to resolve an issue through informal communications by speaking with appropriate staff through face-to-face communication or by use of a WDOC Form #320, *Inmate Communication Form*, or if the situation is such that it would have been inappropriate to do so, he/she may seek resolution of the issue/dispute by submitting a written inmate grievance using WDOC Form #321, *Inmate Grievance Form*, in accordance with this policy. Inmate grievances shall be submitted in a civil and respectful tone and manner.
- iii.** An inmate grievance must include a complete description of the incident, action, or application of the policy being grieved, including the date and approximate time of the occurrence, and a summary of any attempts at informal resolution made using the communication continuum. If the inmate has any referenced documents, such as inmate communications, etc., it is recommended that copies of those documents also be attached to the grievance for reference.

 - a.** The grievance documents that the inmate submits with the initial grievance (or with the first level appeal to the correctional facility CEO) will be returned to the inmate along with the written response; and
 - b.** The inmate will be provided with the original and one (1) copy of the written response to the grievance (or the written response to the first level appeal of the grievance). The original documents are for the inmate’s records and the copy is for use in furtherance of the grievance process should the inmate decide to do so.
 - c.** The grievance documents submitted with the second level appeal to the Director will not be returned to the inmate.
- iv.** Grievances will not be accepted or processed if they are not on the approved WDOC Form #321 *Inmate Grievance Form* or WDOC

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 11 of 33
		Inmate Communication and Grievance Procedure

Form #322 *Inmate Grievance Appeal Form*. Further, grievances will not be accepted or processed if they exceed the space authorized by the forms.

- a.** An inmate who attempts to grieve an issue by any written communication other than WDOC Form #321 or WDOC Form #322 shall have his/her communication returned to him/her with instruction that the inmate resubmit the grievance or appeal on the department's approved form.
- b.** Failure to use the required forms shall not serve to extend the timeframes for filing at each step of the inmate grievance process.
- v.** Impaired or handicapped inmates needing assistance in utilizing the inmate grievance process may obtain reasonable assistance from their assigned counselor or case manager, unless the counselor or case manager is the subject of the complaint, in which case, any needed assistance shall be provided by the inmate's unit supervisor.
- vi.** An inmate grievance may request review of just one (1) matter/action/incident per inmate grievance form.
- vii.** An inmate grievance may request review of only one (1) staff member's actions/decisions on a single grievance form.
- viii.** Only one (1) grievance per incident per inmate will be allowed.
- ix.** An inmate may not submit a group grievance that represents other inmates, or act as a spokesperson for other inmate(s).
- x.** An inmate may not submit more than three (3) inmate grievances in any one week, or eight (8) in any calendar month, unless a valid justification exists. Grievances submitted in excess of these limitations shall be returned to the inmate without further processing, noting that the continued filing of excess grievances may constitute abuse of the grievance system.

 - a.** If an inmate believes there is a valid justification for submitting a grievance in excess of the numbers permitted, the inmate must clearly and concisely state in writing the reasons for submitting the additional grievance.

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 12 of 33
		Inmate Communication and Grievance Procedure

- b.** If the grievance manager determines that these reasons are not clear, concise, or valid for submission of an additional grievance, the grievance will be returned to the inmate without processing, noting the reason for the return.
- xi.** Once an issue is grieved, the same issue may not be raised in future grievances at the same step in the grievance process, unless there is a new incident and new information is available about the issue. Repetitive grievances on an issue which has already been addressed will not be accepted or processed.
- xii.** No staff member who appears to be directly involved in the matter, nor an immediate family member of that person, shall be assigned primary responsibility for investigation of a grievance appeal concerning that matter. Persons who appear to be directly involved may, however, be asked about the incident during the investigation or processing of the grievance or grievance appeal.

2. Fixed Time Limits

- i.** All grievances and grievance appeals must be processed within the time limits fixed herein, unless a grievant agrees, in writing, to an extension of time for a fixed period, or unless the grievant has been notified in writing of an extension of time for a response.
- ii.** All grievances shall be processed from initiation through final disposition as quickly as the circumstances and complexity of the issue/dispute permit. Generally, final disposition of the inmate grievance shall occur within one hundred eighty (180) days, inclusive of any extensions.
- iii.** Failure of WDOC staff to respond by a time limit established by this policy and procedure at any stage of the process shall entitle the grievant, at the grievant's option, to move to the next stage of the process, unless the grievant has agreed, in writing, to an extension of the time for response or has been notified in writing of an extension of time for a response.
- iv.** Failure of WDOC staff to respond by a time limit established by this policy and procedure, with or without written notification to the grievant, at any stage of the process shall not be grounds for the filing of a separate grievance.

3. Accessibility to the Inmate Grievance Procedure

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 13 of 33
		Inmate Communication and Grievance Procedure

- i. Access to the inmate grievance procedure shall be available to each inmate regardless of any disciplinary, classification, or other administrative or legislative decision affecting the inmate. (ACA 4-4284) Although such access may never be totally restricted, inmates' access to the grievance procedure may be limited if they are found to have abused the procedure.
 - ii. Inmates may not normally submit a grievance or grievance appeal on behalf of another inmate. In the event an inmate cannot complete the grievance or grievance appeal form due to language barriers, physical barriers (in compliance with Section 504 of the Federal Rehabilitation Act), and/or competency and capacity barriers, another person may complete the form for the inmate. If another person is completing a grievance form for an inmate, it must be clearly stated within the grievance whom the grievant is, why they are unable to complete the grievance form themselves, who is providing assistance, and what assistance is provided. The inmate submitting the grievance must sign the grievance form.
 - iii. An inmate who files a grievance, or files a grievance on behalf of another inmate under the above paragraph, that is a representation of some fact or circumstance which is not true and is calculated to mislead, deceive, or defraud will be charged with disciplinary action in accordance with the Code of Inmate Discipline.
- 4. Issues That Can Be Grieved Using the Inmate Grievance Procedure.** The inmate grievance procedure may be utilized to complain about a broad range of matters, so long as the issue affects the complainant personally. An inmate may file a grievance concerning issues that include, but are not necessarily limited to, any one of the following:

 - i. A dispute concerning the misapplication of a policy or practice, within the jurisdiction of the correctional facility or the WDOC, for which no other separate appeal or review process exists;
 - ii. A dispute concerning the lack of a policy or practice;
 - iii. A dispute concerning a condition of the inmate's confinement that is within the jurisdiction of the correctional facility and WDOC;
 - iv. A dispute concerning the inmate's health care that has not been resolved through the medical department's own resolution process; (ACA 4-4394)

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 14 of 33
		Inmate Communication and Grievance Procedure

- v. A dispute concerning an unprofessional behavior or action directed toward an inmate by a correctional employee, volunteer, or staff member;
 - vi. A dispute concerning the actions of another inmate toward the inmate who is filing the grievance;
 - vii. A dispute concerning any oversight or error affecting the inmate who is filing the grievance;
 - viii. A dispute concerning other incident(s) occurring within the correctional facility that directly and personally affected the inmate who is filing the grievance, including the loss or destruction of the inmate's approved personal property; and/or
 - ix. A dispute concerning action or threat(s) of action against an offender for good faith use of or good faith participation in the grievance procedure.
5. **Non-Grievable Issues.** The following issues cannot be grieved through the inmate grievance procedure:
- i. Any incident(s) or action(s) for which there exists a separate internal appeal or review process; for example, classification proceedings and decisions, including custody designation and facility and cell assignment;
 - ii. Misconduct reports, investigations leading to or arising from misconduct reports, or disciplinary hearings, findings and sanctions;
 - iii. Complaints relating to actions or decisions not within the jurisdiction of the WDOC (*e.g.*, decisions and procedures of the courts, the Board of Parole, or other non-WDOC agencies);
 - iv. Incident(s) or problem(s) to which the grieving inmate was not a party or which do not involve or affect the grievant personally;
 - v. Claims or issues that the inmate is pursuing in pending or ongoing litigation in state or federal courts;

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 15 of 33
		Inmate Communication and Grievance Procedure

- vi. Actions taken against an inmate who has abused the inmate grievance process under guidelines of this policy and procedure; and/or
- vii. Errors or failure of staff to respond to inmate concerns or complaints within the timelines established by this policy and procedure alone shall not be grounds for a separate grievance.

6. Available Remedies Under Inmate Grievance System

- i. Requested remedies may be given in full, in part, or may be denied as a result of the grievance procedure.
- ii. Valid and justified grievances shall receive a meaningful remedy reasonably necessary to correct the problem complained of. As such, the grievance procedure shall afford a successful grievant a meaningful remedy to include, but not be limited to:
 - a. Modification of correctional facility policy or practice;
 - b. Restoration of or restitution for personal property;
 - c. The assurance that deprivation of necessary care or other abuse will not recur; and /or
 - d. Such other remedies that will meaningfully solve the problem presented, to include the discipline of or other corrective action for staff that willfully or unknowingly violate correctional facility policy.

7. Reasoned, Written Responses to Inmate Grievances

- i. Each inmate grievance shall be responded to in writing at each level of decision and review.
- ii. The response shall state the reasons for the decision reached and shall include a statement that the inmate is entitled to further review, if such is available, and shall contain simple directions for obtaining such review.

8. Maintenance and Confidentiality of Grievance Records

- i. Maintenance of Grievance Records

- a. Copies of grievances and attachments that were forwarded to the grievance office by the grievant and disposition of inmate grievances shall be maintained by the correctional facility, and in cases of appeals, by the WDOC Central Office for a period of three (3) years.
- b. Each correctional facility shall prepare and maintain an aggregate record regarding the numbers, types and dispositions of grievances. Such aggregate records will be forwarded to the WDOC Central Office for review on a quarterly basis, or as otherwise required by the Director.

ii. Confidentiality

- a. All records concerning an individual's participation in the inmate grievance procedure shall be considered and treated as confidential, and shall not be released to other offenders, the general public, or any other non-criminal justice agency or individual.
- b. All records of grievances under the inmate grievance procedure shall be maintained in secure areas not available to inspection by offenders, the general public, or any other non-criminal justice agency or individual.
- c. For accreditation purposes, completed inmate grievances will be maintained as part of or in conjunction with the inmate's base file.

- 6. Resolution of Pending Grievance in Case of Inmate Transfer.** An inmate may wish to file a grievance about an issue/dispute which occurred while at a correctional facility from which he/she has subsequently been transferred. Additionally, an inmate may be transferred to a different correctional facility while resolution of the grievance is pending. In all cases, grievances shall be filed and resolved at the correctional facility where the issue/dispute occurred.

F. Emergency Grievance Procedure

1. Sometimes an inmate grievance may be of an emergency nature, where disposition according to regular time limits would subject the inmate to a substantial risk of personal injury, or cause other serious and irreparable harm to the inmate.

2. An inmate who seeks grievance review of an emergency situation as defined within this policy and procedure should submit his/her grievance to the grievance manager as soon as possible after the incident/occurrence that gave rise to the grievance so that it may be processed in a timely manner.
3. Emergency grievances shall be filed by the inmate using the standard WDOC Form #321, *Inmate Grievance Form*. If the inmate believes the grievance qualifies as an emergency grievance he/she shall mark "EMERGENCY" on the top front of the WDOC Form #321. The inmate may also place the grievance in a sealed envelope clearly marked as "EMERGENCY GRIEVANCE". The grievance may then be placed into the secure designated receptacle in the correctional facility for pickup and processing by the grievance manager and/or his/her support staff. The inmate may also give the grievance to the unit supervisor for more immediate delivery.
4. The grievance manager will immediately refer any inmate grievance that appears to be of an emergency nature to the CEO of the correctional facility to which he/she is assigned. The correctional facility CEO will make a determination as to whether or not any particular grievance is to be treated as an emergency grievance.
5. The correctional facility CEO will determine whether or not a grievance is an emergency grievance within two (2) working days after receipt of the inmate grievance.
 - i. If the correctional facility CEO determines that the inmate grievance is to be treated as an emergency grievance, then the CEO shall provide written instruction to the grievance manager to investigate the grievance as an emergency grievance. Emergency grievances will be resolved and a written response provided to the grievant within three (3) working days from the receipt of the grievance.
 - ii. If the correctional facility CEO determines that a grievance is not an emergency, then the correctional facility CEO will provide written instruction to the grievance manager to process the inmate grievance as an ordinary grievance.
6. If an emergency grievance is of a nature that can only be decided by the Director, the correctional facility CEO shall, within three (3) working days of receipt of the grievance, refer it to the Director for resolution.

G. Exceptions for Grievances Regarding Sexual Abuse. (PREANS 115.52)

1. The agency shall not impose a time limit on when an inmate may submit a grievance regarding an allegation of sexual abuse.
2. The agency may apply otherwise-applicable time limits to any portion of a grievance that does not allege an incident of sexual abuse.
3. The agency shall not require an inmate to use any informal grievance process, or to otherwise attempt to resolve with staff, an alleged incident of sexual abuse.
4. Nothing in this section shall restrict the agency's ability to defend against an inmate lawsuit on the ground that the applicable statute of limitations has expired.
5. An inmate who alleges sexual abuse may submit a grievance without submitting it to a staff member who is the subject of the complaint, and such grievance shall not be referred to a staff member who is the subject of the complaint.
6. The agency shall issue a final agency decision on the merits of any portion of a grievance alleging sexual abuse within 90 days of the initial filing of the grievance.
 - i. Computation of the 90-day time period shall not include time consumed by inmates in preparing any administrative appeal.
 - ii. The agency may claim an extension of time to respond, of up to 70 days, if the normal time period for response is insufficient to make an appropriate decision. The agency shall notify the inmate in writing of any such extension and provide a date by which a decision will be made.
 - iii. At any level of the administrative process, including the final level, if the inmate does not receive a response within the time allotted for reply, including any properly noticed extension, the inmate may consider the absence of a response to be a denial at that level.
7. Third parties, including fellow inmates, staff members, family members, attorneys, and outside advocates, shall be permitted to assist inmates in filing requests for administrative remedies relating to allegations of sexual abuse, and shall also be permitted to file such requests on behalf of inmates.
 - i. If a third party files such a request on behalf of an inmate, the facility may require as a condition of processing the request that the alleged

victim agree to have the request filed on his or her behalf, and may also require the alleged victim to personally pursue any subsequent steps in the administrative remedy process.

- ii. If the inmate declines to have the request processed on his or her behalf, the agency shall document the inmate's decision.
- 8. The agency shall establish procedures for the filing of an emergency grievance alleging that an inmate is subject to a substantial risk of imminent sexual abuse.
 - i. After receiving an emergency grievance alleging an inmate is subject to a substantial risk of imminent sexual abuse, the agency shall immediately forward the grievance (or any portion thereof that alleges the substantial risk of imminent sexual abuse) to a level of review at which immediate corrective action may be taken, shall provide an initial response within 48 hours, and shall issue a final agency decision within 5 calendar days. The initial response and final agency decision shall document the agency's determination whether the inmate is in substantial risk of imminent sexual abuse and the action taken in response to the emergency grievance.
- 9. The agency may discipline an inmate for filing a grievance related to alleged sexual abuse only where the agency demonstrates that the inmate filed the grievance in bad faith.

H. The Inmate Grievance Procedure

1. How and When Inmates May File a Grievance

- i. If an inmate is unable to informally resolve an issue through the department's approved communications continuum, by speaking with appropriate staff, or by use of WDOC Form #320, *Inmate Communication Form*, an inmate may seek resolution of the issue by submitting a written grievance using WDOC Form #321, *Inmate Grievance Form*.
- ii. All inmate grievances must be submitted to the grievance manager on WDOC Form #321. Instructions for filing a grievance are provided on the reverse side of WDOC Form #321.
- iii. To obtain grievance review, the grievance manager must receive an inmate's WDOC Form #321 within thirty (30) calendar days of the date of the incident giving rise to the grievance.

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 20 of 33
		Inmate Communication and Grievance Procedure

- a. In cases where a court continues an inmate's civil rights action so that the inmate may exhaust administrative remedies pursuant to 42 USC 1997 (e), the thirty (30) day time limits may be extended by written notice of the CEO.
- iv. The inmate grievance (WDOC Form #321) must include the date and time and a brief summary of the attempts made to informally resolve the issue. The inmate grievance must also include a simple and straightforward summary of the incident or occurrence giving rise to the grievance or reason for the grievance and a requested grievance resolution or remedy.
- v. Completed inmate grievance forms (WDOC Form #321) should be placed into the secure designated receptacle in the correctional facility for pickup and processing by the grievance manager and/or his/her support staff. Alternatively, the inmate may give the grievance to the unit supervisor for delivery. Completed inmate grievance forms (WDOC Form #321) may also be placed into the outgoing mail addressed to the grievance manager.

2. Processing of Inmate Grievance Forms

- i. If the WDOC Form #321, *Inmate Grievance Form*, is not received within thirty (30) calendar days of the date of the incident giving rise to the grievance, the grievance will not be accepted by the grievance manager and will be returned to the grievant with a statement of the same.
 - a. A grievance form retrieved by the grievance manager or designee from the designated secure receptacles on the first work day following a non-work day weekend or holiday shall be considered timely if the thirtieth (30th) calendar day fell on the non-work day weekend or holiday immediately preceding the work day on which it was received.
- ii. Upon receiving a timely-filed inmate grievance, the grievance manager will assign the grievance a sequential identifying number, unique to the correctional facility, that will be written on the face of the grievance form (WDOC Form #321) and record its receipt and assigned grievance number in an inmate grievance log.
 - a. The grievance log shall also record the nature of the grievance as well as the date and nature of final disposition of the grievance when completed.

- iii.** After the inmate grievance has been logged, the grievance manager will send a WDOC Form #331, *Inmate Grievance Receipt*, to the inmate within three (3) working days of receipt of the grievance form (WDOC Form #321). Within the same three (3) working day time frame, the grievance manager shall send a copy of the grievance form (WDOC Form #321) and a blank WDOC Form #328, *Grievance Response Form*, to the appropriate staff respondent for a written staff response.
- iv.** The staff respondent will complete and sign the grievance response form (WDOC Form #328) and submit it and the copy of the grievance (WDOC Form #321) to his/her supervisor for review and signature.
 - a.** The supervisor will then return the grievance copy (WDOC Form #321) and signed grievance response form (WDOC Form #328) back to the grievance manager for processing.
 - b.** Every effort shall be made to return the grievance response form (WDOC Form #328) to the grievance manager for processing within seven (7) calendar days.
- v.** After recording receipt of the staff's response (WDOC Form #328), the grievance manager will formalize a reasoned written response to the inmate, or will perform or cause to be performed any investigation deemed necessary to determine any additional facts or information necessary to provide a reasoned written response to the inmate. Such investigation shall include reading of the inmate's grievance (WDOC Form #321) and review of the staff's response (WDOC Form #328), and may or may not include a meeting with the staff, the inmate, or both.
- vi.** Facially legitimate issues will receive sincere, serious and fair consideration by the grievance manager.
- vii.** Following investigation by the grievance manager, each inmate grievance shall be concisely answered in writing. The response shall include at a minimum:

J. Abuse of the Inmate Grievance Procedure

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 31 of 33
		Inmate Communication and Grievance Procedure

1. Any grievance which the inmate knows or reasonably should know is without merit, is irresponsible, or has no basis in fact or law and is written in bad faith, or any grievance in which the inmate willfully falsifies information with the intent to vex, annoy, slander, or injure staff, inmates or any other person, shall be considered an abuse of the grievance system.
2. Filing of a malicious or frivolous grievance constitutes an abuse of the inmate grievance procedure and may subject the offender to limitations on use of the inmate grievance procedure.
3. Additionally, the knowing submission of false or malicious information in an inmate grievance may result in disciplinary action under the Code of Inmate Discipline.
4. If an inmate grievance appears to the grievance manager to be frivolous or malicious, contains vulgar language, appears to contain false information, or is a submission in excess of the three (3) grievances in any one week or eight (8) grievances in any calendar month permitted, a notation to that effect will be included in the grievance manager's written response to the grievant. A copy of the grievance manager's written response to this effect will also be sent to the correctional facility CEO.
5. If an inmate grievance or grievance appeal appears to the correctional facility CEO to be frivolous or malicious, or the inmate continues to file an excessive number of grievances after being warned that doing so could constitute abuse of the inmate grievance procedure, the correctional facility CEO may appoint an uninvolved correctional employee to thoroughly investigate the allegations of the inmate grievance, compile a record of all relevant evidence, including sworn statements of the grievant and other involved individuals if such will be helpful in making a determination. A report of the evidence will be submitted to the Director.
6. If the Director finds substantial evidence that the offender has abused the inmate grievance procedure by filing malicious or frivolous grievances, or by repeatedly filing an excessive number of grievances, the Director will take the following actions:
 - i. On the first offense, the Director will caution the offender that further violations may result in a limitation or modification of their grievance access;
 - ii. On the second offense, the Director may modify the inmate's access to the inmate grievance procedure; and

WYOMING DEPARTMENT OF CORRECTIONS	Policy and Procedure #3.100	Page 32 of 33
		Inmate Communication and Grievance Procedure

- iii. If the conduct is repeated, the Director may limit the inmate's access to the inmate grievance procedure for a fixed period of time.
- 7. An offender's access to the inmate grievance procedure for the purpose of filing of emergency grievances may not be modified or limited under this section.

K. Periodic Review of the Inmate Grievance Procedure

- 1. CEOs shall post permanent notices (using WDOC Form #324.1, *Notice for Permanent Posting – Inmate Grievance*) on inmate and employee bulletin boards inviting comments on the effectiveness and credibility of the inmate grievance procedure.
 - i. Inmates and correctional facility employees are invited and encouraged to submit written comments regarding the effectiveness and credibility of the inmate grievance procedure at any time.
 - ii. Comments regarding the inmate grievance procedure may be submitted to the CEO or to the Director and shall be reviewed thereby as part of the regular evaluation of the procedure.
- 2. On the first anniversary date of the effective date of this inmate grievance procedure, and every year thereafter, the Director or his/her designee shall investigate, review and evaluate the effectiveness and credibility of the inmate grievance procedure.
- 3. Materials to be considered during the periodic review of the inmate grievance procedure include, but are not limited to:
 - i. Review of a representative sample of documents related to the individual filing and disposition of grievances at each institution and appeals thereof in the previous year;
 - ii. Review of any comments submitted by inmates and/or employees in the previous year; and
